The Journal of the American Veterinary Medical Association is issued the first of each month. *Manuscripts and copy for insertion should be as nearly perfect as possible for the printer and should be received by the tenth of the preceding month to insure insertion in the next month's issue.* Volumes begin in April and October.

Communications relating to publication, subscriptions, advertisements and remittances should be addressed to Journal of the American Veterinary Medical Association, Baton Rouge, La. Matters pertaining to the American Veterinary Medical Association and Membership should be sent to Dr. N. S. Mayo, Secretary, 4753 Ravenswood Avenue, Chicago, Illinois.

Entered as Second Class Matter, October 26, 1918, at Baton Rouge, La., under Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917; authorized October 26, 1918.

For Equine Pneumonia

WHEN a valuable horse is attacked with pneumonia it behooves the attending veterinarian to use at once the best remedial agent at his command.

PNEUMONIA PHYLACOGEN, VETERINARY,

is that agent. This is the consensus of opinion among hundreds of veterinary practitioners who have thoroughly tested this Phylacogen and unhesitatingly pronounce it the most eligible agent in the treatment of equine pneumonia.

THE EXTRA EDITION.

The Extra Edition this year, like previous similar ones, is a business rather than a scientific number of the Journal.

Its purpose is mainly to have compiled, in a single edition, the business proceedings of the previous annual meeting of the Association, thereby permitting of the regular monthly Journals being devoted to phases of a more scientific character. In addition, it is intended to act as a reference number, containing, as it does, a copy of the Constitution and By-Laws, the officers of the Association for the ensuing year, the personnel of the various committees, etc., and, finally, a directory, alphabetically arranged, of the membership of the Association to December 18, 1918.

Demobilization at the various camps throughout the country has brought about a condition in the Journal office which may take some little time to overcome, particularly in connection with the mailing list, which was more or less complete up to the time the regular January number was sent out. Now, however, we are receiving cards from the various camp postoffices stating that the last copies were undeliverable, as the addressees had gone from camp and had changed their addresses.

While this is quite unavoidable, it means a considerable revision and correction of the mailing list before a future issue can be placed in the mail, which is likely to cause delay in delivery, not only of the Extra Edition, but of the regular February number of the Journal, although the office will employ every available effort to reduce the inconvenience to the minimum. We feel that our members and subscribers are due this explanation, so that they may understand the reason why their copies are late, if they should be, and that it was due to circumstances over which we had little or no control.

FIFTY-FIFTH ANNUAL MEETING OF THE AMERICAN VETERINARY MEDICAL ASSOCIATION, HELD AT THE BELLEVUE-STRATFORD HOTEL, PHILADELPHIA, PENN.

BUSINESS SESSION OF MONDAY MORNING, AUGUST 19, 1918.

The meeting was called to order by President Torrance, of Ottawa, Canada, at 10:30 a. m., as follows:

President Torrance: Ladies and Gentlemen: If you will come to order we will open this great convention by calling upon the Reverend Doctor Trout to pronounce the invocation. (Rev. Dr. Trout, of the Erie Avenue Methodist Church, Philadelphia, invoked Divine blessing).

President Torrance: You will note this morning, ladies and gentlemen, that an innovation has been made in our programme, a very pleasant one, in that the international anthems will be sung, of our respective countries, the lady at the piano leading in the singing. I think we would better sing these verses standing.

(The Convention assembled rise and sing one verse each of the following national anthems: The Star-Spangled Banner, The Maple Leaf Forever, La Marseillaise).

President Torrance: I have now very great pleasure in introducing to you the Honorable E. J. Cattell, who represents the Mayor of Philadelphia. From what I hear of him we are about to have a great treat—and he needs no further introduction. (See October Journal.)

President Torrance: You will agree with me that what I said about the treat we were to have was not guff; it was the truth. We all enjoyed that speech tremendously, and we have now to call upon one of our honored members, honored in this respect, of having to answer and respond to the speech we have heard. I call upon Doctor Veranus A. Moore to respond to the speech we have heard. (See November Journal.)

President Torrance: The next order of business is the President's address. I little thought when I was assisting in the preparation of the new By-Laws of the Association, consenting to the elimination of the word "short" with reference to the President's address, that I was likely to have to fill the role of having to give that address in the future. The word "short" has been taken out of the by-law in which the President's duties are enumerated. He is no longer required to give a short address, but he is required to give "an address." I don't wish to alarm you in regard to the probable length of my address, but assure you that I tried to make it as short as possible.

(See September Journal.)

President Torrance: The Secretary has some announcements to make.

Acting Secretary Day: The ladies will assemble at Room 107 and Room 109, on this floor, at 12:30. I believe that is the Ladies' Auxiliary. The Bureau of Animal Industry Veterinarians will have a meeting at 2:00 p. m. today in the Pink Room.

President Torrance: The next order of business, gentlemen, is the presentation and adoption of the Minutes of the previous meeting.

Dr. W. Horace Hoskins: I move their adoption as printed in the Journal of the Association.

(The motion was seconded, and, on vote, carried unanimously.

President Torrance: The next order of business is the report of the Executive Board.

Acting Secretary Day: The Executive Board recommends that the sum of $500 be placed in the hands of the Auxiliary Relief Fund for their use in meeting emergencies of members of the profession or their families, the Committee to make a complete report to the Association regarding the disbursements.

Dr. W. Horace Hoskin: I move the adoption of the recommendation.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also recommends that in the absence of a member of the Executive Board from the annual meeting a temporary appointment for that meeting only may be made by the President. The temporary appointee shall be from the same district which the absent member represents.

I might say in connection with this recommendation that at the present time one of our members of the Executive Board is absent. That is Dr. R. A. Archibald, from District No. 5. And this recommendation was made in order that this vacancy on the Executive Board may be filled at once.

Dr. W. Horace Hoskins: I move its adoption.

(The motion was seconded, and, on vote, carried unanimously.

Acting Secretary Day: Last year there was a resolution accepted calling for the division of the Second District, the Second District being such a very large one. Therefore, the Executive Board recommends that the Second District be divided, creating a new district, to be composed of Illinois, Ohio, Wisconsin, Michigan and Indiana; and also that the numerical order of the districts be changed; that is, that the Second District be composed of the eastern portion of what is now known as the Second District, and the new district to be called the Third District, the Third District to be the Fourth District, the Fourth District to be the Fifth District, and the present Fifth District to be the Sixth District; and that the member of said new district be elected for five years.

President Torrance: You have heard this recommendation of the Executive Board. What is your pleasure?

Dr. W. Horace Hoskins: I move its adoption.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also recommends to the Association that the words "Or President and Editor" be inserted in line 2, after the word "Secretary," in Section 5 of Article 5 of the Constitution.

For your information I will read it as it now appears:

> "The Treasurer shall pay out moneys only on vouchers countersigned by the President and Secretary, excepting minor expenses of the Secretary, and such revolving fund

allowance as may be placed at the disposal of the Editor and Manager of the 'Journal' by the Budget Committee."

The paragraph will read, in accordance with the recommendation of the Executive Board, as follows:

"The Treasurer shall pay out moneys only on vouchers countersigned by the President and Secretary, or President and Editor, excepting minor expenses of the Secretary, and such revolving fund allowance as may be placed at the disposal of the Editor and Manager of the 'Journal' by the Budget Committee."

The idea of this was so that the "Journal" could take care of its own funds.

Dr. W. Horace Hoskins: I move its adoption.

(The motion was seconded by Dr. Kinsley.)

Dr. N. S. Mayo: In regard to that resolution I would like the one that was proposed changed, read again.

Acting Secretary Day: You wish me to read the proposed resolution, or from the By-Laws?

Dr. Mayo: The resolution.

Dr. Torrance: I understand Dr. Mayo wants the resolution read as it will be when adopted.

Dr. Mayo: No, I just want the resolution read as adopted by the Exective Board.

Acting Secretary Day: As it now stands in the Constitution it reads as follows:

"The Treasurer shall pay out moneys only on vouchers countersigned by the President and Secretary, excepting minor expenses of the Secretary ,and such revolving fund allowance as may be placed at the disposal of the Editor and Manager of the 'Journal' by the Budget Committee."

Would you like me to read how it will be when changed?

Dr. Mayo: Yes, thank you.

Acting Secretary Day:

"The Treasurer shall pay out moneys only on vouchers countersigned by the President and Secretary, or President and Editor, excepting minor expenses of the Secretary, and such revolving fund allowance as may be placed at the disposal of the Editor and Manager of the 'Journal' by the Budget Committee."

President Torrance: It has been moved and seconded that this recommendation of the Executive Board be adopted. All those in favor signify by saying aye; contrary, no. The motion is carried.

Dr. Winchester: Can you change the Constitution right at this meeting, without considering it?

President Torrance: Dr. Winchester has raised the point whether we can change the Consitution at this meeting. The Constitution, as I understand it, can only be changed after the giving of due notice. Has due notice been given of this change, Dr. Day?

Acting Secretary Day: No.

President Torrance: Notice was given of the first change, as given by the Board, but not of the second, and if there is any objection to putting it through without notice, it certainly is illegal, and not in accordance with the By-Laws.

Dr. W. Horace Hoskins: This is for the interest of the Association, and to allow the Editor of the "Journal" to carry on his work; and in order to facilitate I move that we suspend the Rules.

(The motion was seconded by Dr. Kinsley.)

President Torrance: It requires a two-thirds vote to suspend the Rules, I understand.

A Member: Three-fourths' vote.

President Torrance: All in favor of the suspension of the Rule, signify by saying aye——

Dr. Mayo: I would like to ask for information. I would ask the Secretary if this proposed change comes in a section of the Constitution and By-Laws that notice was given last year to change? I understood, as you read that first, that notice having been given last year of a change—and then you suggested two changes.

Acting Secretary Day: That notice pertains only to the division of District No. Two and the creation of a new district.

Dr. Mayo: That was only in reference to that changing the Districts?

Acting Secretary Day: Yes. There was a notice given last year with reference to the division of the districts. The other change in the Constitution and By-Laws, adding the words "or President and Editor"—there was no notice given of that, because it only came up at this meeting, and there was no opportunity for a notice.

President Torrance: Are you ready for the question? All in favor of the suspension of the By-Laws for the purpose of passing this amendment to the Constitution will signify by saying aye; contrary, if any, no. The ayes have it, and the Rules are suspended. I will now put the main question. All in favor of this change in the Constitution signify by saying aye; contrary, no. The ayes have it, and the change is adopted.

Dr. Mayo: I think that it should go on the Minutes that this change was made by unanimous consent.

President Torrance: Will you move that the vote be made unanimous?

Dr. Mayo: There was no opposition. The notation should be made that this was by unanimous consent.

President Torrance: The Secretary will record the fact that this was by unanimous consent.

Acting Secretary Day: There is also a recommendation that follows the dividing of the Second District; it is to the effect that the word "Seven" be inserted in lieu of the word "Six" in line 1, Section 7, Article 5 of the Constitution and By-Laws.

Dr. W. Horace Hoskins: I move it be adopted.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also recommend that the Budget Committee make an investment of from three to five thou-

sand dollars in Canadian War Bonds and of from three to five thousand dollars in United States War Bonds.

Dr. Kinsley: I move its adoption.

(The motion was seconded by Dr. W. Horace Hoskins.)

Dr. Mayo: I believe this matter was thoroughly canvassed by the Executive Board, and that they know the condition of the treasury. I believe it most desirable that it should be done.

Dr. W. Horace Hoskins: The income this year is the largest in the history of the Association, from the 1017 applicants for membership.

President Torrance: It has been moved and seconded that this recommendation be adopted. All those in favor signify by saying aye; contrary, no. The ayes have it, and the recommendation is adopted.

Acting Secretary Day: The next recommendation of the Executive Board is that with regard to new applicants. You will find a list on your seats of 800 of the applicants, the other 217 were received too late for the published list. Turn to the first page, under Arkansas. The Executive Board favorably recommends the election of all the applicants from Arkansas.

Dr. W. Horace Hoskins: I move we approve that recommendation.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: All of the applicants from California are favorably recommended by the Executive Board, with the exception of Walter P. Kelty, the fourth name.

Dr. W. Horace Hoskins: I move the adoption of the recommendation.

(The motion was seconded.)

Dr. W. Horace Hoskins: I think it ought to be understood that the reason we cannot recommend Dr. Kelty is because the San Francisco College, of which he is a graduate, was not recognized by this Association in the year 1918.

(The motion was put to a vote, and carried unanimously.)

Acting Secretary Day: Under Colorado the Executive Board recommend the election of Dr. W. L. Corson only; and Joseph P. Mitchell is unfavorably recommended for the same reason as Walter P. Kelty of California.

(It was moved and seconded that the recommendation of the Executive Board be adopted. On vote the motion was carried unanimously.)

Acting Secretary Day: All of the members from Connecticut and Delaware are favorably recommended for election by the Executive Board.

Dr. Mayo: As I understand the case of Dr. Mitchell, he was not recommended because he was a graduate of a college that was not recognized by this Association at the time of his graduation. Now, in the case of Dr. Ahern, of Connecticut, he seems to be a graduate of the same college in the same year. Am I correct in my conclusion?

Acting Secretary Day: I read Dr. Ahern's name, but it was an oversight on my part, Dr. Mayo. I now make the correction and read

Dr. Ahern as being rejected, so that the ones to consider now are the ones from Delaware.

(It was moved by Dr. W. Horace Hoskins that the recommendation of the Executive Board be adopted. The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: Under the District of Columbia the Executive Board favorably recommend the election of all with the exception of Clarvoe and McCallum.

Dr. W. Horace Hoskins: I move that the recommendation of the Executive Board be adopted.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: Under Florida the Executive Board recommend the election of all the members.

(It was moved by Dr. Hoskins and seconded by Dr. Kinsley that the recommendation of the Executive Board be adopted. On vote the motion was carried unanimously.)

Acting Secretary Day: Georgia—I wish to make an announcement. You will notice on the second page of the list from Georgia that there are a large number with the colleges and the vouchers not given. The reason was we did not have the applications at the time this list was printed; our only information was a typewritten list. They are all vouched for by Major W. J. Stokes and Lieutenant Otis A. Longley. They are from various colleges and states all over the country. The Executive Board recommends the election to membership of all from Georgia with the exception of G. E. Gilbert and F. H. George, on the first page; Harry K. McIntosh, on the second page; Harley E. Ash, Frank O. Brontrom, Otis G. Button, Charles P. Cooke, Edward A. Dornbusch, L. W. Foley, Gustave B. Henno, on the third page; William D. James, Cecil P. Lamb, Carle B. Lenker, Raymond E. Libby, Louis H. Mathers, Archibald F. McGreevy, Lee L. Menke, V. C. Pauhlman, William L. Peterson, Chauncey O. Petry, Edgar M. Rogers, Louis P. Sharp, Guy M. Smith, Carl Viers and R. M. Ward.

Dr. John R. Mohler: I would like to correct the statement of the Secretary. R. M. Ward was vouched for by Dr. Kinsley after the first submission of the report; and also, on the first page, R. M. Ashley approved of G. E. Gilbert and F. H. George. The reason for the deferment of these men is that they were not vouched for by members from their own states.

Dr. Kinsley: I should like to ask the Secretary concerning Hopper, Lodge, Mathers, Moylan, Schopmeyer and Secoy.

Acting Secretary Day: I have nothing against Hopper on this list.

Dr. Mohler: Hopper is all right.

Acting Secretary Day: Which is your next one?

Dr. Kinsley: Lodge.

Acting Secretary Day: I have him deferred.

Dr. Connaway: I would like to make a general motion which I believe will settle the whole list, and that is to elect all of the members in this list whom the Executive Board shall later find to meet the requirements of admission to our Association. It will be impossible

for us to get the information from this body at the present time, and I believe we can safely leave it to the Executive Board to get that information more at their leisure.

Dr. W. Horace Hoskins: It will be impossible to do that. The idea of getting the names in at this session of the Convention was so that the applicants accepted may vote during this meeting.

A Member: What is required?

Dr. Hoskins: One of the two vouchers required must be from the state in which the applicant is a resident.

Dr. Connaway: Does it mean that all have been vouched for except the ones read?

Dr. Hoskins: Yes, one voucher at least from their respective states.

Dr. Quitman: I should like to have that list read over. Some of these men, I think, we can qualify at this meeting.

President Torrance: That is the reason for the reading of the list.

Dr. Mayo: I would like to ask another question. The Secretary can answer it at the same time. I notice there are two G. E. Gilberts from Chickamauga Park. Is that a typographical mistake or are there actually two G. E. Gilberts? On the first page the name is given as Goerge E. Gilbert and on the second page G. E. Gilbert is given as not recommended.

Dr. Mohler: The second man graduated from Terre Haute, and the first man you mentioned is from Michigan.

Acting Secretary Day: I was going to give that information; and I will look it up on the application if Dr. Mayo wishes me to do so.

I will read this list over and ask any member of the Executive Board if they have favorably recommended any that were previously deferred. I want to have my list the same as their lists. The first I have now is on the second page: Harry K. McIntosh, Harley E. Ash, Frank O. Bronstrom, Charles P. Cooke. On the next page, Gustave B. Henno, Cecil P. Lamb, Charle B. Lenker, Raymond E. Libby, Harry G. Lodge, Lewis H. Mathers, Archibald F. McGreevy, Lee L. Menke, Edward J. Moylan, V. C. Pauhlman, William L. Peterson, Chauncey O. Petry, Edgar M. Rogers, Charles W. Secoy, Louis P. Sharp, Guy M. Smith, Carl Viers and Paul A. Weires.

Dr. Kinsley: Mr. President, I would like to ask the Secretary concerning Button.

Acting Secretary Day: Otis G. Button is on my list.

Dr. Kinsley: You did not read him the second time. I should also like to ask about Dornbusch.

Acting Secretary Day: He is on my list. I did not read the name of Foley, did I? I must have missed all on that page.

Dr. Kinsley: And Schopmeyer, on the last page.

Acting Secretary Day: Schopmeyer is not deferred on my list..

Dr. Mohler: I think Dr. Schopmeyer was vouched for by Dr. Northrop.

Dr. Hoskins: I move that with the exception of these deferred names we approve the list.

(The motion was seconded by Dr. Kinsley.)

President Torrance: It has been moved and seconded that with

the exception of those names deferred, we approve the list. All those in favor signify by saying aye; contrary, no. The ayes have it, and the motion is carried.

Acting Secretary Day: I would like very much to make this statement, gentlemen; that now that you have marked those who have been deferred, if any of you know them or know any one who would vouch for them, we would be very glad to have you come forward, or see you after adjournment, so that we may get these applicants properly vouched for.

The next is Illinois—the Executive Board recommend that all members appearing on the list under Illinois be elected to membership with the exception of Joseph Henry Krichel. You will find his name the second line on the second page of Illinois.

Dr. Quitman: What is the trouble there?

Acting Secretary Day: The same as with the others—he is at Camp Grant, and we need some one from his state to vouch for him.

Dr. Quitman: Do you know what state he is from?

Acting Secretary Day: He is from Illinois.

Dr. Quitman: I will sign his application.

Dr. Kinsley: I move the adoption of the recommendation of the Executive Board in regard to Illinois.

(The motion was seconded, and, on vote, carried unanimously.)

President Torrance: It is understood that Dr. Quitman will sign for Dr. Krichel, who was deferred.

Acting Secretary Day: In regard to Indiana, the Executive Board recommends for membership all the names from this state as printed in the list.

(It was moved and seconded that the recommendation of the Executive Board be adopted. Motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all the applicants from the State of Iowa.

(Dr. Kinsley moves the adoption of the recommendation of the Executive Board with regard to Iowa. The motion is seconded by Dr. Hoskins, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all the applicants from the State of Kansas with the exception of Maurice V. Wilmot. It is next to the last name on the second page under Kansas.

Dr. Kinsley: I move the adoption of the recommendation of the Executive Board with regard to Kansas.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all of the applicants from the State of Connecticut.

Dr. Hoskins: I move the adoption of the recommendation of the Executive Board with regard to the State of Connecticut.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all the applicants from the State of Louisiana.

(It was moved by Dr. Hoskins and seconded by Dr. Kinsley that the recommendation of the Executive Board with regard to the States of Louisiana be adopted. On vote the motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all the members from the States of Maine and Maryland as printed in the list.

(It was moved by Dr. Hoskins and seconded by Dr. Kinsley that the recommendation of the Executive Board with regard to the States of Maine and Maryland be adopted. On vote the motion was carried unanimously.)

Acting Secretary Day: And also of Massachusetts.

Dr. Hoskins: How about Creedon?

Acting Secretary Day: Creedon has been vouched for by U. M. Simpson and E. A. Paulson, both of Massachusetts.

Dr. Hoskins: I move the recommendation of the Executive Board with regard to Massachusetts be adopted.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: Also the State of Michigan.

Dr. Hoskins: I move that we approve the recommendation of the Executive Board with regard to the State of Michigan.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also approve all of the applicants from the State of Missouri.

Dr. Hoskins: I move the adoption of the recommendation of the Executive Board with regard to the State of Missouri.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.

Dr. Kinsley: Minnesota has one in there.

Acting Secretary Day: I thank you for calling my attention to it. The Executive Board recommend for membership the applicant, George P. Lynch, from Minnesota.

(It was moved and seconded that the recommendation of the Executive Board with regard to the applicant from Minnesota be adopted. On vote, the motion was carried unanimously.

Acting Secretary Day: The Executive Board recommend for membership the list of applicants from Mississippi with the exception of Leander I. Lucey.

Dr. Kinsley: Could not the same remark be applied, that Dr. Lucey has no voucher.

Acting Secretary Day: We want somebody to vouch for Dr. Lucey. He has been deferred on that account.

(It was moved and seconded that the recommendation of the Executive Board with regard to the State of Mississippi be adopted. On vote, the motion was carried unanimously.)

Acting Secretary Day: The Board also recommend the election of those members from Montana.

Dr. Hoskins: I move that we adopt the recommendation of the Executive Board with regard to the State of Montana.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also recommend the election to membership of all the applicants from the State of Nebraska, with the exception of Thomas W. Stewart.

Dr. Hoskins: I move that we adopt the recommendation of the Executive Board with regard to Nebraska.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend the election to membership of all the applicants from the State of New Jersey, with the exception of Fischel Birenberg, the very first one.

Dr. Herbert Lowe: I would deem it a pleasure to move the election of these gentlemen, but before doing so I would state that some of these gentlemen are not members of the Veterinary Association of New Jersey and are not active in it, and I would like to know particularly as to who vouched for them, because I feel, Mr. President and gentlemen, that members coming into this national and international organization ought to be well known at home in the work of their own state association; and before recommending their election I would ask the information as to their home activities.

Dr. Hoskins: I wish to call the gentleman's attention to the fact that four of these men are employees of the Bureau of Animal Industry and are being moved from state to state; and there is one Army man among them. Also, this movement to bring in the Bureau of Animal Industry Veterinarians is country-wide, and it is not a question as to whether they are members of their state associations where they reside, but that they are members of the Bureau of Animal Industry.

Dr. Lowe: Is Frank E. Pinkerton a Bureau of Animal Industry man?

Dr. Hoskins: Yes.

Dr. Kinsley: The provision that the men should belong to their state associations does not apply to Bureau or Army men.

Dr. Hoskins: I move that we adopt the recommendation of the Executive Board with regard to the applicants from New Jersey to the Bureau of Animal Industry men.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend that all of the applicants from the State of New Mexico be made members.

Dr. Kinsley: I move that the recommendation of the Executive Board with regard to New Mexico be adopted..

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: They also recommend the election to membership of the list from Nevada.

Dr. Kinsley: I move the adoption of the recommendation by the Executive Board with regard to Nevada.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board also recommends that the applicants from the State of New York be elected members.

Dr. Hoskins: I am requested to state that the name of Frederic W. Shoneweg be referred back to the Board. With that exception I

move that we adopt the recommendation of the Executive Board with regard to New York.

Dr. Kinsley: I second the motion.

Dr. Mayo: I don't know anything about this at all. I understand the motion was to refer this case back to the Executive Board—but I don't want it to go through with that exception if it would shut him out.

Dr. Torrance: The resolution elects the others but not him, referring him back.

(On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend that all of the applicants from North Carolina, with the exception of Percy Graham, be elected to membership.

Dr. Hoskins: I move that we adopt the recommendation of the Executive Board with regard to North Carolina.

Dr. Kinsley: I second the motion.

(On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend that the list of applicants from North Dakota be elected members.

Dr. Hoskins: I move that we adopt the recommendation of the Executive Board with regard to North Dakota.

Dr. Kinsley: I second the motion.

(On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend that all of the list from the State of Ohio be approved.

(It was moved and seconded that the recommendation of the Executive Board with regard to the State of Ohio be adopted. On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board also recommend that the list from Oklahoma, Oregon and Pennsylvania be elected members.

(It was moved and seconded that the recommendation of the Executive Board with regard to the State of Oklahoma, Oregon and Pennsylvania be elected members. On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board also recommend that the list from South Carolina, South Dakota and Tennessee be elected to membership.

(It was moved and seconded that the recommendation of the Executive Board with regard to South Carolina, South Dakota and Tennessee be adopted. On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board also recommend that the list from Texas be elected as members.

(It was moved and seconded that the recommendation of the Executive Board with regard to Texas be adopted. On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board also recommend that the list from Vermont be elected to membership.

Dr. Kinsley: I move that the recommendation of the Executive Board with regard to Vermont be adopted.

Dr. Hoskins: I second the motion.

(On vote, the motion was carried unanimously.)

Acting Secretary Day: The Executive Board recommend that the list from Virginia be elected to membership with the exception of William A. Carter, William B. Casilear, Robert P. Huffman, J. F. Kagey, Adrian A. Martin, H. E. Picknal and William G. Saunders.

Dr. Kinsley: I move that we adopt the recommendation of the Executive Board with regard to the State of Virginia.

(The motion was seconded by Dr. Mayo, and, on vote, was carried unanimously.)

Acting Secretary Day: I wish to state that in the case of H. E. Picknal that he did not state in what year he was a graduate of the United States College of Veterinary Surgery. If any of you happen to know him I should be very glad to have this information. The Executive Board recommend, or approve as members, all of the list from the State of Wisconsin.

A Member: The name of Samuel B. Patterson, of LaCrosse, I would like to have deferred.

Dr. Hoskins: I move that with that exception we approve the list.

(The motion was seconded by Dr. Kinsley, and, on motion, carried unanimously.)

Acting Secretary Day: The Executive Board recommend for membership all applicants on the lists from the Dominion of Canada and the Panama Canal Zone.

Dr. Kinsley: I move that we approve those lists.

(The motion was seconded by Dr. Hoskins, and, on motion, carried unanimously.)

Dr. Hoskins: It ought to be understood by members that with regard to any we may have passed over, to whom there might be objection, that name can be reconsidered at a subsequent meeting of the Association.

Dr. Lyman: I believe it is customary to elect these men by ballot. Inasmuch as these men have been passed upon and approved by the Executive Board I move that we dispense with the Rules and permit the Secretary to cast the ballot for their election.

(The above motion was seconded.)

President Torrance: It has been moved and seconded that the Rules be suspended and that the Secretary be instructed to cast the ballot for the applicants approved.

(On vote, the motion was carried unanimously.)

President Torrance: The Secretary is instructed to cast the ballot of the Association for the election of the applicants approved.

Acting Secretary Day: According to your motion I hereby cast the ballot of the Association for the election of all the applicants approved, according to the list that is lying before me.

President Torrance: The next order of business is the Secretary's report, and as he has left it upstairs and has to go for it we might pass on and take up the Treasurer's report. Is the Treasurer ready to report?

(No response from the Treasurer.)

Dr. Hoskins: I move that the Treasurer's report be carried over until another session.

(The motion was seconded, and, on vote, carried unanimously.)

President Torrance: Is it your pleasure to wait for the Secretary's report? He says he will be back in a minute.

Dr. Kinsley: Is there any other committee report ready?

President Torrance: Is there any committee report ready for presentation?

(No response.)

Dr. Hoskins: I move we adjourn.

Dr. Kinsley: I second that motion.

President Torrance: It has been moved and seconded that we adjourn. I would like to say here, although it is not the privilege of the Chairman to make speeches except in his Presidential Address, that I think it is advisable to transact as much business this morning as possible; and therefore I would suggest you wait for the Secretary's report.

Dr. Hoskins: I withdraw the motion, Mr. Chairman.

President Torrance: The motion to adjourn has been withdrawn, and therefore we will get on with a little more business.

(After waiting a short while and the Secretary not appearing, a new motion for adjournment was made and seconded and carried, the meeting adjourning at 12:35 p. m.)

SESSION OF TUESDAY MORNING, AUGUST 20, 1918.

The meeting was called to order by President Torrance at 10:10 a. m., as follows:

President Torrance: The first order of business is the report of the Secretary.

Acting Secretary Day: Before entering into the report I have an announcement to make in regard to the boat ride down the Delaware on Thursday afternoon. It will take place at three o'clock, and you will get your tickets in the office; the young lady will take care of you. This boat ride is free.

I also have a letter from your Secretary, Major Merillat, which I will read to the Association at this time:

"AMERICAN EXPEDITIONARY FORCES
HEADQUARTERS
FRANCO-AMERICAN VETERINARY LIAISON MISSION
A. I. O., 702.

Office of the Executive Officer,
July 19, 1918.

To the Officers and Members of the
American Veterinary Medical Association:

The matter of writing a letter to the officers and members of the Association for the 55th Annual Meeting has occurred to me long ago, but unfortunately my movements have forbidden until this late day when there is some doubt as to whether or not this message will be delivered in time. I am therefore addressing this to Treasurer Schneider to avoid any delay in transmission to the floor of the assembly.

It will be noted that these are the days of the great offensive when everyone in oversea service is bending every effort to do his full duty, and even if an inclination to write a message were not destroyed by the fury of the fray it is difficult to concentrate one's mind on any other matter than the events of the immediate moment and surroundings. Despite these obstacles, assure yourselves that the Secretary whom you honored last year by an unanimous re-election is with you today in spirit.

The writing of a letter of interest or of one which might serve any purpose other than that of a greeting would be strictly forbidden. I have already learned the danger of confiding even in one's best friend. We are at war with a crafty enemy which does not fail to profit by each bit of information that may thus be unconsciously made public. The members will therefore pardon this brief note. At some future time (and we all hope it is not far distant) it will be a great pleasure to relate our experiences, our trials and our tribulations.

I trust the Association will not recoil from the position it has taken in educational matters, but, on the contrary, will decide to take another substantial forward step. I am free to state, and I do so with great regret, that our greatest obstacles thus far in developing an efficient service, one that could take its place side by side with our Allies, arises directly from the motley educational system we have tolerated for so many years.

With the assurances of my profound appreciation for the honor you conferred upon me, I am,

Very sincerely yours,

L. A. MERILLAT, Secretary."

President Torrance: Does the Association wish to take any action with regard to this letter of Secretary Merillat's?

Dr. Mayo: Mr. President, I think it would be very fitting that a telegram of greeting be sent to Major Merillat, and I move, if it is possible, to send one. I don't know what the regulations are concerning the transmission of such a message, but I move that efforts be made to send him such a message.

(The motion was seconded by Dr. Kinsley.)

President Torrance: It is moved and seconded that a message of greeting be sent to Secretary Merillat, now Major Merillat.

Dr. Pierce: Give me an opportunity to say something about the other fellows over there. Why not put just one word about the others of our boys over there? They certainly deserve recognition.

President Torrance: Do you accept that amendment, Dr. Mayo?

Dr. Mayo: I certainly do.

(The amended motion was put to a vote, and carried unanimously.)

Dr. Dalrymple: I move that Major Merillat's letter be accepted and spread upon the Minutes.

(The motion was seconded by Dr. Pierce, and, on vote, carried unanimously.)

Acting Secretary Day: The Executive Board recommend that the President be authorized to appoint a committee to consider plans for a suitable memorial to the late Alexander F. Liautard.

Dr. W. Horace Hoskins: I move that the recommendation of the Executive Board be adopted.

Dr. Kinsley: I second the motion.

(The above motion, on vote, was carried unanimously.)

President Torrance: I don't feel I would like to appoint this committee off-hand, but would like to take a little time to think it over in order to get the best possible men on it. I will announce the composition of this committee at a future session.

Acting Secretary Day: There have been some applications from the University Department of the Philippines, and of course in order to accept those applications it will be necessary for the University to be put on the accredited list. Therefore, the Executive Board recommend that the Veterinary School connected with the University Department of the Philippines be put on the accredited list.

Dr. Hoskins: I move the recommendation of the Executive Board be adopted.

Dr. Mayo: I second the motion, and in doing so I wish to state that I have followed the development of this Veterinary School as closely as one could without being there, and I believe they are worthy of the recognition of this Association.

President Torrance: Are you ready for the question? All in favor of the adoption of this resolution signify by saying aye; contrary, no. The ayes have it and the motion is carried.

Acting Secretary Day: I believe that the next business is the election of members who have been passed upon by the Executive Board. I am very sorry we have not a list of these, such as we had yesterday, but they were received too late. I might say that all these applications have been received within the past week, and that this list you have was prepared a week ago yesterday, and of course we could not get these names in. I think it would be well for me to read some six or eight at a time, and then have you vote on them; and I will read six or eight more.

Dr. Hoskins: Why not read the entire list and then vote on them? If there are any objections we can vote on those.

President Torrance: If there is no objection to that line of procedure the Secretary will read all the names, giving time under each name to give a member the opportunity to object. If there is any objection, the member will rise and state it. At the end of the reading the list will be put to a vote.

Dr. Hoskins: The names just read are recommended for membership. I move the recommendation be approved.

Dr. Mayo: Was the rule for vouchers for all of these applicants, in that they are required to have a voucher from the state which they come, carried out?

Acting Secretary Day: Yes, sir.

Dr. Mayo: I second the motion.

President Torrance: I think it necessary to couple with that motion a motion to suspend the rules.

Dr. Hoskins: I move to suspend the rules.

(The amended motion was seconded, and, on vote, carried unanimously.)

President Torrance: Gentlemen, the Secretary tells me he has some fifty more names of members to read. I don't know whether it is in order or not to read the names without giving the names of the men who would vouch for them, but, if so, it seems to me that it would save time.

Dr. Hoskins: Can't we just leave these names until the afternoon session?

President Torrance: I will entertain a motion to that effect.

Dr. Hoskins: I move that we postpone the reading of the names of these additional applicants until the opening of the session this afternoon.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: I would like, before the close of the meeting this morning, to make this announcement: I have some applications here from Kentucky, and if there is anyone that might know these applicants I should be glad to have you vouch for them. The applicants are Fred W. Bratton, George S. Place and John R. Edwards. They are from Kentucky. I have a few more that are not well vouched for, and these gentlemen are from New York: Morris A. Quinn and Raymond Winters. If there is anyone who knows those gentlemen and can vouch for them, I would like for you to come up on the platform right away, and see if we can't get them properly vouched for.

President Torrance: To prevent any misapprehension about the new members elected at this meeting, I would like to say that every member elected at this meeting has the same right to vote for the election of officers as any other member. It does not matter about his election taking place at this time; he has the right to vote at the election. This afternoon, at the afternoon session, we will commence by taking up the list of names that has not yet been voted upon, and we will put those through; and those members will also have the right to vote at this election.

Dr. W. H. Hoskins: I move that when we adjourn we adjourn to meet at two o'clock, and that this work of the few applications will commence promptly at that hour.

President Torrance: I understand that the program this afternoon begins with two papers. Is it your intention to proceed with the applications before the papers?

Dr. Hoskins: Yes, because there is considerable work in committees.

(The motion was seconded.)

President Torrance: It has been moved and seconded that in this afternoon's session we have first the applications and then proceed with the regular order of business, the receiving of reports. This will take priority over the reading of papers.

A Member: Is this question open to discussion?

President Torrance: I did not know there would be any discussion on it. A vote of adjournment is not subject to discussion. It may be voted down, but is not subject to amendment.

(The motion was put to a vote and carried unanimously.)

AFTERNOON SESSION, TUESDAY, AUGUST 20, 1918.

The meeting was called to order by President Torrance at 2:15 p. m.

It was moved by Dr. Cassius Way that the resolution passed at the morning session, to change the program and proceed with the election of new members first at this afternoon's session, be reconsidered.

(The motion was seconded, and after some discussion by Drs. Hoskins, Williams and others the motion was carried to proceed with the program as printed.)

President Torrance: We will now listen to a paper by Dr. Veranus A. Moore, of New York State Veterinary College, on "The Veterinary Practitioner and the Control of Infectious Diseases." (See December Journal.)

President Torrance: Before proceeding to the next item on the program I would ask that the meeting give an opportunity to Dr. Eagle to make a statement.

Dr. R. F. Eagle: Mr. President and gentlemen: Since this Convention has been here assembled you have had the opportunity of listening to many addresses, classic in some respects, and I don't feel competent to review the progress of veterinary science. I am here for another purpose. But, in order not to encroach upon an already crowded program, I am going to get to the little statement I am going to make immediately. (See January Journal.)

Dr. Eagle: Just before leaving Chicago, Mr. Ogilvie informed me that Canada is contributing an oil painting of Dr. J. G. Rutherford. (Applause.)

Dr. W. H. Hoskins: The presentation of these three portraits of honored members of our profession is of particular interest to the practitioners of America; and in order to carry out the intention of the Committee I move that these pictures be turned over to the Executive Board with the view of seeing that they are placed in the Saddle and Sirloin Club of Chicago, with an expression of our appreciation for this recognition they have given these distinguished members that we have mingled with so many years.

Dr. Mayo: In seconding that motion I would also like to include that we extend to Mr. Thomas E. Wilson our sincere thanks for his generous contribution to this valuable object, and also to the Saddle and Sirloin Club for the opportunity not only to establish this gallery but for the opportunity they have extended to us to place these distinguished faces of our veterinarians there.

Dr. Bennett: I would like to suggest that the portraits be presented to the Saddle and Sirloin Club of Chicago during the Stock Show around the first of December. Many of the veterinarians here will be there. A great many of the prominent leaders in veterinary medicine of this country will be there, and also of Canada; and I would suggest that the presentation be made to the Saddle and Sirloin Club at that time.

President Torrance: Would Dr. Hoskins be willing to have that included in the original motion?

(Dr. Hoskins accepts the amendment.)

Dr. Torrance: It has been moved and seconded that these pictures be turned over to the Executive Board with the view of seeing that they are placed in the Saddle and Sirloin Club of Chicago, with an expression of our appreciation of this recognition they have given these distinguished members we have mingled with so many years; and that we extend to Mr. Thomas E. Wilson our sincere thanks for his generous contribution to this valuable object, and that our thanks be extended to those other gentlemen who have contributed in no small measure to the carrying out of this estimable object.

(On vote the motion was passed unanimously.)

President Torrance: I have a further announcement to make. Arrangements have been made for a competent man to accompany the party on the boat trip on Thursday afternoon, to indicate and explain the points of interest along the Delaware River. To derive the full benefit of this man's knowledge the party should be kept together in some one section of the boat. This can be accomplished, the officials of the boat line tell us, if the members of the party assemble here at 2:30 p. m. at the latest.

This will make it possible to visit the Mulford laboratories at Glenolden the same afternoon. All who desire to visit these laboratories at some earlier time should make arrangements to do so by applying at the Mulford exhibit in the Clover room; and a guide will be provided. Tickets for the boat ride are being distributed at the Bureau of In-

formation desk free of charge. Boats leave at the Chestnut street wharf. Remember to be there before 2:30 Thursday afternoon.

The Banquet Committee also asked me to add to what I have said that banquet tickets must be purchased as early as possible so that reservation may be made by the hotel management for all who attend.

The next business on our program is a paper by J. J. Ferguson of Chicago on "The Live Stock Industry, Present and Prospective." I have much pleasure in calling upon Mr. Ferguson. (Applause.)

Mr. J. J. Ferguson: This is not a very good time to talk. A man said to me this morning, "Why aren't you fighting? Every man who looks as ablebodied as you should be over there giving the Huns hell," so I don't think it a good time to inflict much of a talk on you.

In order to save valuable time I thought it well to put in the form of a small folder the information and data which I thought it might be well to put before you.

Gentlemen of this Association, your work is so vitally connected with the success in every way of the live stock industry that we regard you as fundamental, and it was with great pleasure indeed that our people were advised that I was invited to come here and appear before you. I will just run over a few of the facts I have jotted down, and which I have had printed here so you may have them before you and may read them at your leisure. (See October Journal.)

President Torrance: I have been asked to announce that the Cornell Alumni will hold a meeting and dinner in the Pink room at 6:30 p. m.

This paper by Mr. Ferguson is now open for discussion.

A Member: May I ask that Mr. Ferguson's paper be published at the earliest possible time in the Journal, so that the figures he has in it will be at our disposal while they are fresh?

President Torrance: I understand that Mr. Ferguson has provided a number of these pamphlets, which will be distributed to each member of the Association.

President Torrance: If you have no further comment on this valuable paper, we will pass on to the regular order of business, taking up the business where we left off—the presentation of the names recorded by the Executive Board. I will call upon the Secretary to read the names of these prospective members.

Acting Secretary Day: First, I would like action to be taken on the names from the Philippine Islands, read this morning.

Dr. W. H. Hoskins: I move that we suspend the rules and elect the four members from the Philippine Islands.

(The motion was seconded, and, on vote, carried unanimously.)

Acting Secretary Day: Also, Lieut. Bratton, of New York.

Dr. Lowe: I move that this name take the same course as the preceding names.

Major Cotton: Associated with the name of Lieut. Bratton there were also this morning the two other names I remember in particular, and also other names of veterinary officers in the United States army who have failed to get the endorsement of some member of this Association from the States from which they originate. As I understand, all these men have been recommended by the veterinary instructors in

the school of the United States army. I remember particularly that associated with Lieut. Bratton's name was the name of Lieut. Place, and another. These are men I have known all winter, and it seems an outrage against those who have been in the veterinary training schools that simply because they failed to get the endorsement of men from their own states they should be excluded at this time. This is a military exigency, and I therefore move that the by-laws be suspended and that those members vouched for by members of this Association—even though they failed to get vouchers from their own State—be elected to membership, those in military service particularly.

Dr. Lowe: In view of the military exigency, I take pleasure in seconding the motion of Major Cotton.

President Torrance: You have heard the motion that the by-laws be suspended, and that those names held up by the Executive Board because of being not vouched for by members from their own state, be passed.

Major Cotton: And also other military officers who are also members of this Association, as well as instructors. Perhaps there are some who have been vouched for. Some, like Lieut. Bratton, are of West Point, Kentucky. In other words, some of these men have been vouched for by other veterinary officers besides instructors.

President Torrance: And that those names be passed in cases where the men have been vouched for by veterinarians other than veterinary instructors.

Major Cotton: But who are members.

(On vote the motion was carried unanimously.)

Acting Secretary Day: There are a few names I did not read this morning. They are as follows:

Fred C. Frye, St. Joseph, Mo., K. C. V. C., 1914; J. A. Zimmerman and A. O. Lundell.

Chas. H. Gruncald, St. Joseph, Mo., St. Jo, 1915; J. A. Zimmerman and A. O. Lundell.

Jas. N. Eagle, Clark, S. D., K. C. V. C., 1910; S. W. Allen, G. G. Graham and H. Jensen.

N. V. Boyce, Kansas City, Kan., K. C. V. C., 1899; A. T. Kinsley and C. O. Kroner.

Arthur C. Stever, Jacksonville, Fla., U. S. C. V. S., 1907; E. M. Nighbert and Thos. J. Mahaffy.

H. E. Curry, Kansas City, Mo., K. C. V. C., 1908; A. T. Kinsley and G. E. Maxwell.

(President Torrance calls Fifth Vice President S. H. Ward to the Chair.)

The Chairman: Gentlemen, you have heard the reading of the names by the Secretary. What is your pleasure?

Dr. W. H. Hoskins: I move that the recommendation of the Executive Board be approved under suspension of the rules, as was done this morning.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

Acting Secretary Day: I have, also, the following names:

W. J. Deegan, Camden, N. J., U. of P., 1911; W. H. Lowe and C. M. Hoskins.

Frederick B. Miller, Brooklyn, Pa., Ontario, 1910; E. H. Yonker and F. H. McCarthy.

J. P. O'Leary, Ridley Park, Pa., Harvard, 1895; C. S. Rockwell and E. H. Yonkers.

Edw. C. Joss, Portland, Ore., C. V. C., 1902; W. H. Lytle and B. T. Simms.

J. W. Richardson, Chickamauga Park., Ga., M. C. K., 1910; W. J. Stokes and O. A. Longley.

R. E. Duckworth, Chickamauga Park, Ga., San Francisco, 1915; W. J. Stokes and O. A. Longley.

Dr. W. H. Hoskins: I move that the gentlemen whose names have just been read be elected, under suspension of the rules.

The President: With the consent of Dr. Hoskins I would like to include the name of Major Edwards, whose name requires one more voucher.

Dr. Hoskins: I move it be included in the list.

(The motion was seconded and, on vote, carried unanimously.)

A Member: I move you that the Secretary be instructed to cast one ballot for the names that have been read.

(The motion was seconded, and, on vote, carried unanimously.)

Dr. Kinsley: Is there not another list of fifteen or some such that was included in Major Cotton's motion, and that should be read prior to that?

President Torrance: I don't know. I will ask the Secretary. Are there any more names, Mr. Secretary?

Acting Secretary Day: Yes, I will pick them out.

President Torrance: And we will include them in the motion. It is understood that this motion will include those men who under a previous motion were included with the vouching of military officers, even though not from the States of which the applicants were residents.

Acting Secretary Day: According to the motion, I hereby cast the ballot of the Association for all the members whose names have been read.

President Torrance: The next order of business is the presentation of the report of the Secretary.

Acting Secretary Day: (See November Journal.)

President Torrance: You have heard the Secretary's report. What is your pleasure?

Dr. W. H. Hoskins: I move it be received and filed.

(The motion was seconded, and, on vote, carried unanimously.)

Dr. Hoskins: I move that further consideration of the report be deferred until the next regular session of the meeting of the Association.

(The motion was seconded, and, on vote, carried unanimously.)

President Torrance: That brings us now to the election of officers as our next order of business. The first officer to be elected is the President. We are now ready to receive nominations for President.

Dr. Moore: I have in mind a gentleman who has been a faithful member of this Association for many years, a man who has seldom been absent from the meetings, who is from a section of this country that has been rather overlooked for a number of years: Dr. C. A. Cary of Alabama.

Dr. Hoskins: I would like to second the nomination of Dr. Cary for the office of President. I recall that in 1890 this Association for the first time in its history held a meeting west of the Allegheny Mountains, and held it in the city of Chicago; and one of the three men who met us there at that time, and we went from the east in a goodly number, in proportion to our membership, was Dr. C. A. Cary. He has continued his membership from that day until this, and his membership now reaches over about thirty years. I can recall no meetings during that

period of time at which Dr. Cary was not present. He has been a very active worker in the Association. We have never assigned to him a duty of any kind, no matter how slight it seemed, that he did not make an effort to perform it better than his predecessor. The annals and records of this Association will show many contributions of great value to this Association and of great value to the profession. He was for a long time a practitioner of veterinary medicine, and for many years a member of the teaching staff in several places throughout our country—at present at one of our schools in the South. There he is doing a vast work in connection with that school; and from what we have heard of the vast possibilities in the South in opening up a field to relieve the animal shortage, he has a great opportunity before him; and I hope he will receive this honor, of being elected President, especially as we may go to the South in 1919, and aid our brethren in the South in helping to open up that part of our territory. (Applause.)

Dr. Bennett: I have been a member of this Association for the past quarter of a century, and there has been impressed upon me very forcibly the great progress the veterinary profession has made during the time I have been a member of the Association. I have seen members come and go; I have seen officers come and go; and it seems to me every year we improve our conditions. The veterinary profession has advanced always, and it is advancing today; and I am glad to say I am a member of this Association, and I would like to see someone at the head of this Association who is a man that has always stood for the advancement of higher education in every way. Therefore, I take great pleasure in presenting the name of Dr. V. A. Moore, and I trust the members of this Association will see fit to honor him with their votes today. (Applause.)

Dr. Kinsley: I realize the fact that I am one of the younger members of the Association. I have been privileged to sit in many committee meetings, and I want to heartily second the nomination of Dr. V. A. Moore, whom I have seen in committee work year after year, and who has served this Association in practically all capacities except that of President. I am satisfied that we will appreciate what Dr. V. A. Moore will do for this Association if elected President. I hope you will support him. (Applause.)

Dr. Stange: To those of us who are carrying the responsibility of training men who will enter this profession, only to those, perhaps, can you look for leadership; and among those you look for leadership in is V. A. Moore. I don't believe many of you, except those connected with the colleges, appreciate how much good counsel he has given us and how much he has helped us to turn out men that will be a credit to this or any other profession. I want to heartily endorse the nomination of Dr. Moore. (Applause.)

President Torrance: Are there any other nominations? If not, a ballot will be taken on these two names: C. A. Cary, of Alabama, and Veranus A. Moore, of Ithaca, N. Y. I will appoint as tellers Dr. Cooley and Dr. Hilton and Dr. Hernsheim. Now, everyone who has been elected to membership at this meeting is competent to vote, but only members are competent to vote ,and we trust that visitors will refrain from attempting to cast a ballot.

President Torrance: While the tellers are counting the votes we can proceed to other business.

The University of Pennsylvania Alumni will meet tonight at the Bellevue-Stratford. Dinner will be served—it does not say where, except it is in the hotel.

The New York Alumni will meet at 8 o'clock in the Pink room.

We will now receive nominations for the office of Vice Presidents. There are five to be elected.

(The following nominations were made for the Vice Presidencies: O. H. Eliason, of Wisconsin; George H. Hart, of California; Thomas E. Smith, of New Jersey; J. B. Hollingsworth, of Canada; I. E. Newsom, of Colorado; Adolph Eichhorn, of New York; H. B. Cox, of Philadelphia; L. E. Northrup, of Indiana; H. S. Murphey, of Ames, Iowa; and R. P. Marsteller, of Texas.)

(The name of W. H. Dalrymple, of Louisiana, was presented. As to the nomination of Dr. Dalrymple as Vice President, President Torrance spoke as follows:

President Torrance: I might point out that Dr. Dalrymple has occupied the Presidential chair, and it is not customary to elect to the Vice Presidency a man who has been President of the Association.

If there are no further nominations the ballots will be cast, and I will appoint Dr. Fitch, Dr. Ranck and Dr. Pierce to act as tellers.

The McGill graduates will meet in the Blue room at 8 o'clock.

President Torrance: I have received two telegrams, one from Dr. Schwarzkopf, which read as follows:

> "FS. St. Paul, Minn. 19. Secretary American Veterinary Medical Association, Bellevue-Stratford Hotel. Philadelphia, Pa. Best wishes for profitable meeting. Recommend action be taken relative to our professional assistants in protection and conservation of the horse power of the country while this question is pressing on account of war condition it also forms an essential part of veterinary ethics. Let us join therefore in the humane endeavor of the American Red Star Animal Relief and assist this organization morally and financially for this purpose. I pledge ten dollars if ninety-nine other members contribute a like amount.
>
> Olaf Schwarzkopf, Major Veterinary Corps."

President Torrance: The second telegram is from Col. Morse, and reads as follows:

> "WA. Washington, D. C., 12:38 p. m. 20. Dr. F. Torrance, President American Veterinary Medical Association, Bellevue-Stratford Hotel, Philadelphia, Pa. Regret my inability to accept your kind invitation. Best wishes for successful meeting. Colonel Morse."

President Torrance: Now, the tellers may retire and count the ballots, and while they are doing so I will entertain a motion that we proceed with the election of Secretary.

Dr. W. H. Hoskins: I move that we proceed with the election of Secretary.

(Motion seconded, and, on vote, carried unanimously.)

Dr. W. H. Hoskins: I desire to place the name, for the nomination of Secretary, of one who does not need me to say anything for him. His first year was the most remarkable year in the history of this Association. He is filled with energy and zeal and set himself to the task of making this Association stronger and more powerful in every way. In one short year he placed on the roll of membership of this Association some five hundred and forty-three members. Just subsequent to that he was one of the first of our number to seek and pledge himself for the support of his country, of your and my country. Dr. L. A. Merillat, as our Secretary, filled a remarkable year during the period of his activity. He was called into the service, to which he promptly responded, and was very quickly sent abroad, where his services seemed to be more largely needed. He was taken away from us, but in accordance with that rule which we adopted when this country entered war, that we would share the work and labors of anyone who might be called into the service, it was necessary to take a fifty-fifty share of the service and work. We would do that, and if it were necessary to do all of the work we were prepared to do that. He has been away during the year, yet there has been such a loyal devotion to the Association's services by those to whom he has entrusted its care during his absence, and by others sharing the work which would have fallen to his lot during the year, we are met here with one of the best programs in the history of the Association; and this meeting will go down in the records of the American Veterinary Medical Association probably never equalled again in the large addition to the membership, more than one thousand. It would seem very fitting under the circumstances to continue him in his office, to share the work for another year.

Dr. Lowe: It affords me delight, great delight, to second the nomination of Major L. A. Merillat; and while I realize, Sir, and fellow colleagues, that it is proper for us to make as many nominations as we like for one particular office, it would, at the same time, be a very fitting tribute to our distinguished brother, Major Merillat, in France, if we made no other nomination, and made his nomination unanimous; and I hope this thought of mine will meet with approval, and that no one is nominated against Dr. Merrilat, and that his nomination may be made unanimous.

Dr. Dunphy: I don't agree with my friend, the late speaker, whom I am intimatley acquainted with. I believe competition is the life of trade. I want to suggest the name of a man for Secretary who needs no introduction to this Association. You all know his record. He took this Association when it was small in number and heavily in debt, and he was Secretary of this Association for five years; and he left with the number of members of the Association doubled and the Association out of debt, in fact, with a surplus on hand. I wish to present the name of Dr. R. P. Lyman.

Dr. Way: Gentlemen, may I place the name, for Secretary, before you of a man who needs no introduction, a man who has served as Secretary of this Association on previous occasions, a man whose ability, whose energy, whose integrity is beyond question. He has been a man

who championed the cause of higher education and better things for this Association and for our profession. We all love to honor, we all respect, and we all appreciate the service that the men in the army are doing; but at the same time it seems fitting, when so many problems confront us, that we should have a man located here who is on the job, and whose ability is beyond question. Dr. Mayo has recently contributed to the service of his country one of his sons; and it is with pleasure I present the name of Dr. Nelson S. Mayo.

Dr. Ward: I wish to second Dr. Mayo's nomination, and want to say that I do so for the reason that Mr. Merrilat is three thousand miles from here, and I think it would be a shame to put upon him the responsibilities which he is unable now to assume. I am satisfied the Association will later, after the war, show our appreciation of his work.

Dr. Lang: I wish to second the nomination of Dr. Lyman, of Detroit.

A Member: I move the nominations be closed.

President Torrance: A ballot will be held upon the three names submitted: L. A. Merrilat, R. P. Lyman and N. S. Mayo; and I will appoint as tellers Dr. Kinsley, Dr. Murphey and Dr. Connaway.

President Torrance: I have to announce at this time the result of the ballot for President. The tellers report that there were two hundred and eighty-four votes cast, of which one hundred and eighty-four were cast for Dr. Moore, and one hundred for Dr. Cary.

Dr. Cary: I want to move that this election be made unanimous, and I want to say this: that if a Northern man must preside at New Orleans next year there is no man I would rather have in the Chair than Dr. Moore (Applause), and when you get there, we will give you a gin fizz (Applause), the only one made on the New Orleans plan (Laughter).

President Torrance: We are now ready for nominations for Treasurer.

Dr. Thomas E. Smith, of New Jersey: It has been my privilege to have considerable to do with the office of Treasurer during this past year, and as someone has said in the nomination of the other candidates, one of the requirements is efficiency in the office. I have found out that our present Treasurer, Dr. Schneider, was always one hundred per cent efficient, and I take great pleasure, therefore, in presenting his name for the office of Treasurer of the Association.

Dr. Schneider: I would like to withdraw my name at this time as a candidate for the office of Treasurer, and would like to present the name of Dr. Jacob, of Tennessee; and if I am not out of order, I would like to make this selection unanimous.

Dr. Dalrymple: It gives me pleasure to second the nomination of Dr. Jacob, of Tennessee.

President Torrance: Dr. Smith, do you accept the motion of Dr. Schneider that his name be withdrawn?

Dr. Smith: I do, under the circumstances, yes.

President Torrance: Dr. Schneider having withdrawn his name from the nominations there remains only one nomination.

(It is moved and seconded that the Secretary be instructed to cast the ballot for Dr. Jacob, of Tennessee, as Treasurer. On vote the motion was carried unanimously.

Acting Secretary Day: According to the motion just passed, I hereby cast the ballot of this Association for Dr. M. Jacob as Treasurer. (Applause.)

Dr. Dalrymple: I would like to make a remark while the tellers are counting the votes. I take pleasure and feel honored in representing the South in this matter, and extend a very cordial invitation in behalf of the South to the Association to meet in New Orleans in 1919. If you remember, the meeting was to be held there in 1914, and on account of the conditions of foot and mouth disease at that time the meeting was called off. We had made every arrangement to have it held there then, but owing to the conditions the meeting was skipped; and I therefore feel it was a deferred meeting. If your Committee should decide to go to New Orleans I am very sure you will be treated nicely, and those who have not been there before will be treated to the unique sights of old New Orleans. Therefore I take pleasure in extending a cordial invitation to meet in New Orleans in 1919. (Applause.)

Dr. Cooley: There having been an invitation sent by the Chamber of Commerce of Cleveland, and I representing that district of Ohio in which Cleveland lies, I stated to the Chamber of Commerce that I would withdraw that invitation in favor of New Orleans. (Applause.)

Dr. Moore: I believe the Constitution permits us at this time to settle the time and place of next meeting. Therefore I move you that we hold the next meeting at New Orleans.

(Motion seconded.)

President Torrance: I always understood that the place of next meeting was settled by the Executive Board.

Dr. Moore: If not otherwise provided.

Dr. Mayo: I want to say to the members here that I am heartily in favor of New Orleans so far as one can judge at the present time. I have stopped many times in that wonderful old city. I even had one of the gin fizzes and I feel they are worth going to New Orleans to get. But it seems to me that under the conditions that prevail at the present time, war conditions, that none of us can foretell what the future will bring forth—I feel that this matter ought to be referred to the Executive Board for final action, knowing as they do the sentiment of the Association, and I believe they will give that the most careful consideration. But I can't help feel—I want to tell Dr. Cary and Dr. Dalrymple and all that bunch that I am for them, but I feel we should not take action now that might seriously embarrass us a little later.

I therefore move that this Association refer this matter to the Executive Board with a recommendation in favor of New Orleans.

Dr. Cary: Is there a motion before the house?

President Torrance: Yes.

Dr. Cary: What is the motion?

Dr. Torrance: To hold the meeting in New Orleans, and there is an amendment to that, that the matter be referred to the Executive Board.

Dr. Mayo: With a recommendation of this Association in favor of New Orleans.

Dr. Cary: I will second the motion of Dr. Mayo, and leave it to the Executive Board. We are willing to stand by the Executive Board.

Dr. Moore: With the consent of my seconds I will accept that amendment, and withdraw my original motion.

President Torrance: There is, therefore, only the one motion before the Association: that the matter be referred to the Executive Board with the recommendation of New Orleans.

(The motion was put to a vote and carried unanimously.)

Dr. Dalrymple: I would like to add that there is a probability at the pesent time that we may get transportation rates down to one cent a mile for that meeting. I was in Texas last month, and found they were getting a rate of one cent a mile to attend their State meeting. I think we can do that next year if we try for it. (Applause.)

Dr. Ward: I move that the Secretary be instructed to take the matter up with the view of obtaining reduced fares for the next annual meeting.

(The motion was seconded.)

President Torrance: It has been moved and seconded that the Secretary take up the question of obtaining reduced railway fares for members attending the next annual convention.

(On vote the motion was carried unanimously.)

President Torrance: The tellers have announced the result of the election for Secretary, as follows: Total number of votes cast, 256; necessary to elect, 129; Dr. Mayo, 163; Dr. Merillat, 76; Dr. Lyman, 17. (Applause.)

President Torrance: I have just received the result of the vote for Vice Presidents. The following five are elected, in order of the majority of votes they obtained: Dr. Eichhorn, 191; Dr. Cox, 161; Dr. Hart, 158; Dr. Smith, 129; Dr. Hollingsworth, 115. (Applause.)

On motion, the meeting adjourned to 6:15 p. m.

MORNING SESSION, WEDNESDAY, AUGUST 21, 1918.

The meeting was called to order by President Torrance at 10:15 a. m., as follows:

President Torrance: We will resume the business of the Convention by calling on the Secretary to make some announcements.

Acting Secretary Day: I am requested to announce to you that the banquet tickets are still on sale, and that the Committee will be very glad if all of you who wish to will secure your banquet tickets early, as they desire to know how many will attend.

President Torrance: I was instructed at the meeting yesterday to appoint a committee on the Liautard Memorial. I now beg to announce the following committee: Dr. Robert W. Ellis, Chairman; Dr. W. H. Hoskins, Dr. W. H. Dalrymple, Dr. W. H. Lowe and Dr. S. Brenton, with power to add to their number.

Dr. W. H. Hoskins: Are we to reconvene at 1:30?

President Torrance: We are supposed to reconvene at 1:30.

Dr. Hoskins: I move that we do reconvene at 1:30, and that we now adjourn.

(The motion was seconded by Dr. Kinsley, and, on vote, carried unanimously, the meeting adjourning at 12:35 p. m.

AFTERNOON SESSION, WEDNESDAY, AUGUST 21, 1918

The meeting was called to order by President Torrance at 2 p. m.

President Torrance: We have just received a cablegram from overseas as follows: "Greetings from over here." It is signed, "Merillat, McKillip, Blattenburg, Hilty."

President Torrance: We have a few belated members who have come in and passed the Secretary of the Executive Board and are asking for re-election. If you will permit, we will now take up these members, and if you approve, we will put them on the list.

(Acting Secretary Day reads part of the names.)

Dr. E. L. Quitman: Inasmuch as all have passed the Executive Board, can't the Secretary simply read the name of the applicant and let it go at that?

President Torrance: If there is no objection, that will be done, omitting the names of the vouchers, the name of the college and the place of residence.

Dr. Quitman: I move that the rules be suspended and that these applicants be elected to membership.

(The motion was seconded.)

Dr. Dunphy: Inasmuch as there is an application there that has only one signature, I would like to ask the Secretary whether this gentleman is in the room?

Acting Secretary Day: Yes.

Dr. Dunphy: I would move that inasmuch as there is no member here from Indiana, the President be permitted to endorse his application in lieu of the other voucher.

President Torrance: We will have to delay that motion. The motion before the house does not apply to this one case, but to all the others. All in favor of Dr. Quitman's motion, that the rules be suspended and these applicants be elected to membership, signify the same by saying "aye"; opposed, "no." The ayes have it, and the motion is carried. It has been moved and seconded that the application of William A.

Martin, having but one voucher, be signed by the President in lieu of the other voucher. All those in favor, signify by saying "aye"; opposed, "no." The ayes have it, and the motion is carried. The Secretary will cast the ballot electing these applicants to membership.

Acting Secretary Day: I hereby cast the ballot of the Association electing these gentlemen to membership in our Association.

(On motion, the meeting adjourned at 5:48 p. m.)

MORNING SESSION, THURSDAY, AUGUST 22, 1918.

The meeting was called to order by President Torrance at 9:45 a. m.

The first order of business was the reading of the report of the Legislative Committee by the Chairman, Dr. W. Horace Hoskins. (See November Journal.)

(On motion, duly seconded and carried, the report was received and ordered to be spread upon the minutes.)

Dr. W. Horace Hoskins: I move that the suggestion contained in the report of the Legislative Committee, to change the Constitution and By-laws creating another section of the Association, to be known as the Section of Bureau of Animal Industry Employees, be adopted as a notice of amendment to the Constitution, to be acted on at the next annual meeting of the Association.

(The motion was seconded and, on vote, carried unanimously.)

President Torrance: Our next order of business will be the presentation of the report of the Salmon Memorial Fund Committee. This report will be read by the Chairman of the Committee, Dr. W. Horace Hoskins.

(On motion, the report was accepted and the Committee requested to continue.)

(Dr. W. Horace Hoskins then proposed to change the name of the Salmon Memorial Fund, adding thereto the name of Dr. A. D. Melvin, making the proposed name "The Salmon-Melvin Memorial Fund."

(Dr. Newsom spoke in opposition to this plan, inasmuch as he thought it would be exceedingly cumbersome, or would become so, in view of the fact that prominent members of the Association would die and the Association might wish to add their names to the title of this fund.)

Dr. Winchester: Dr. Salmon was a man whose foresight was so far beyond that of most of our practitioners that he stood away up out of sight. I was not the first individual who suggested some memorial, but certainly the Massachusetts Veterinary Association was the first one to recognize the efficiency of Dr. Salmon, and we raised money to erect a monument, but after considering the monument, those further advanced than I am saw that a monument would be moss-covered and you would not be able to see the inscription bye and bye, and perhaps would be put in some obscure place where very few would ever see it. So, with the suggestion of Dr. Hoskins, it was decided to make it a memorial relief fund, and the moneys that were contributed for that monument came to me personally and were returned, throughout the western states;

I don't know just how much it was, but something like $100; and I returned that to the subscribers throughout the west and middle west, telling them that the thing had changed its physical characteristics and we did not want to take their money under false pretenses; but if they felt like it we would be very glad to have their money returned, not for a Salmon memorial monument but for a Salmon memorial fund.

Of course, others must die—you and I—we don't know when. Of course, a good many of the young men do not know much about this movement. The reason the younger men do not know it is because they are too busy with their practice.

Dr. Way: I want to heartily endorse what Dr. Winchester has said. I am one of the younger men who unfortunately did not know Dr. Salmon very well. It seems to me that in creating a Salmon Memorial Fund, this fund was created for a specific purpose, as a memorial to Dr. Salmon. Now, we all love, respect and revere the memory of Dr. Melvin. He was one of our leading lights. But it seems to me that to change the purpose or the original intent of the Salmon Memorial Fund would be to deviate from a custom that many of the men who subscribed to this fund may not approve of. I would be delighted to see a Melvin memorial, but I do think we should leave the Salmon memorial as it is, as a memorial to the great man for whom it was originally started.

President Torrance: Are you ready for the question? It has been moved that the name of the Salmon Memorial Fund be changed to "The Salmon-Melvin Memorial Fund."

Dr. W. Horace Hoskins: I would like to offer an amendment, that this lay over for one year. The suggestion was made to me from several sources, coupled with the information; and I thought I ought to bring it before you, but I now think that this matter should be laid over for one year.

(The amendment was seconded by Dr. Kinsley.)

President Torrance: The amendment is that the matter should be laid over for one year. Those in favor of the amendment say aye; contrary, no. The amendment is carried.

We will now ask for the report of the Committee on Intelligence and Education.

Dr. Dunphy: The Committee has just completed its report, and I have requested the Secretary, Dr. Cassius Way, of New York, to read the report to the Association.

Dr. Cassius Way: (See October Journal.)

Dr. V. A. Moore: I do not wish to be critical, but there were two or three terms used that I think were either misspoken or written inadvertently; one was in regard to the entrance requirements, as to the units. Units are very different from credits.

Dr. Way: The term was seven credits, and in parentheses the word "units." It reads as follows: "At least two years of high school education of at least seven credits (units) or their equivalent."

Dr. Moore: Referring to the colleges, what were the words used?

Dr. Way: "One of the colleges at least was visited by the Committee, and their work was carefully investigated."

Dr. Moore: One other: In the report it spoke of "The Executive Committee," using the word "committee" instead of the word Board."

Dr. Way: That shall be corrected.

Dr. Dunphy: I might say, in explanation to Dr. Moore's exceptions there, and what he said in regard to the Dominion of Canada, that we could only act for the Dominion of Canada in regard to the American Veterinary Medical Association. The War Department did not take that up at all, and the Civil Service Commission have not had the Ontario Veterinary College on their accredited list for a number of years, owing to the fact that the principal of that institution objected to having an examination of the school made. Now, I took this matter up with Dr. Grange, the principal of the institution at the time, and requested him to appeal to the Secretary of Agriculture, or to the Chief of the Bureau of Animal Industry, and offer a chance to have that school investigated and put on the list. After a whole day's argument and appeal to Dr. Grange he agreed to do this. I have talked to Dr. Mohler, the Chief of the Bureau of Animal Industry, at Washington, and he had assured me that he would be well pleased to inspect that college and recommend it for the accredited list; but I have learned from the Chief of the Bureau, Dr. Mohler, since I came here, that Dr. Grange had only taken this up as a personal matter, in a personal letter. Consequently, the Bureau of Animal Industry have had no chance as yet to act; and I sincerely hope that the change in the standing of the Ontario Veterinary College will come about in a few months. (Applause.)

Dr. Ernst: As to the terms of affiliation, or, rather, of that report in connection with the affiliation of the two colleges in Washington, in the absence of an affiliation both are discredited. An affiliaton occurring, will the affiliated institutions be accredited for the ensuing year? Is that the sense of the report, although they still remain discredited for the term 1919?

Dr. Way: The sense of the Committee, Mr. President, is that if an amalgamation can be brought about in Washington of these two veterinary colleges, it will be a benefit for all parties concerned; and if an affiliation is brought about, of course, the amalmagated colleges must meet the requirements of the American Veterinary Medical Association as soon as possible. Your Committee will be ready at all times to make an investigation and look over the work that is being carried on, but to be accredited the amalgamated colleges must of course meet the requirements of the American Veterinary Medical Association. If they do, then it is the sense of the Committee that they shall be accredited for the coming year.

Dr. Kinsley: That is the very point I wanted some information on. It seems to me to be just a little unusual for a body of this kind to recommend that two separate, distinct institutions be amalgamated. I believe if this is desired it should be put in other wording. Most of us do not realize whether such a thing is possible. If this recommendation would apply to some locations perhaps it would not be safe to venture into that community for some time; that is, for the committee.

Dr. Dunphy: I might say in answer to Dr. Kinsley that we have had the representatives and Deans of both of these colleges before us. They

are both anxious that this matter should be brought about. They are both aware of the condition that exists at each college; they are both anxious to make one good school of these two colleges; and we have a perfect understanding with these two Deans.

Situated as the Committee now is, we have Dr. Kiernan in Washington, we have Dr. Way in New York—two members of the Committee that can meet in Washington at any time and go over the status of these two amalgamated colleges, and, provided they find the colleges can come up to the requirements, they will recommend them, and we will take care of them next year. I might say we have had a perfect understanding with these Deans.

Dr. Mayo: Mr. President, has a motion been made to accept or adopt the report of the Committee?

Dr. W. Horace Hoskins: Receive the report.

Dr. Mayo: I make such a motion.

(The motion was seconded, and, on vote, carried unanimously.)

President Torrance: What Committee is ready to report now?

Dr. Way: I have the names of two proposed honorary members, but before that I would like to make a report in reference to the Committee on Intelligence and Education, as follows: "That the recommendation of the Committee pertaining to the entrance requirements in veterinary colleges for 1919 be referred to the Executive Board with the request for immediate action."

Dr. Dunphy: I take pleasure in supporting that motion, Mr. President.

President Torrance: Are you ready for the question? (Question.) All in favor of the motion will signify by saying aye; opposed, no. The motion is carried.

Dr. Way: Mr. President, I would like to make another motion, "That the recommendation of the Committee on Intelligence and Education with reference to a special committee to compile a history of veterinary science be adopted."

Dr. Hoskins: I move it be referred to the Executive Board. This is a matter involving some expense, and we will have to take that up in connection with the Budget Committee.

Dr. Murphey: I don't think there is any need to do that. The Association took action at the fiftieth meeting, in New York, to appoint a committee. Dr. Hughes was chairman of that committee, and the work he started and attempted was largely lost. The committee that continued that gave a very different report, as published in the proceedings of the Association, from that contemplated and begun by Dr. D. Arthur Hughes; and it seems to me the Association can take charge of that without referring it to the Executive Board, for a considerable part of that work will not be finished for a number of years.

Men still living can recall incidents that occurred during the past fifty years, or know the men personally who were the original workers in veterinary science and educational work and control work and practice.

Dr. Hoskins: If there is already authority on the record, I withdraw my motion.

President Torrance: I would like a little more information on this. Dr. Murphey gives me the impression there is such a committee in existence, although it has not been doing anything. It may be the committee has passed out of existence from inactivity; and I think it would be wise for this Association to give expression to some opinion as to whether it considers this object of sufficient importance to have a committee which will have some activity about it.

It is hardly fair, I think, to the incoming President to ask him to carry out an intention expressed so long ago as the New York meeting, and which has been in abeyance ever since.

Dr. Way: May I say just a word? I don't want to take up all the time in reference to this report, but the original committee which was appointed to compile a history of veterinary education, a history of veterinary science in America, was headed by D. Arthur Hughes, and he was a very energetic and very active man in such work.

The request comes at this time from our good friend, Dr. Moore, from St. Joe, that the work that that committee did should be assembled if possible and completed by some competent men, by men who are competent to write a history that will be of interest; and if we can resumé the notes of the previous work done and compile it in a way attractive to the members, and especially to some of us new members, I think Dr. Moore's suggestion is an admirable one.

Dr. Murphey: I believe since the time Dr. Hughes' committee was appointed—I don't know personally, but Dr. Lowe was secretary of the committee, and has published a considerable amount of the material. No report was published of the original committee.

Dr. Moore: I think I was a member of the committee, and I think Dr. Hughes was a member of the second committee and I think that Dr. Hughes and I corresponded a good deal about the matter, before his death; and if my memory serves me right there was never any committee appointed after Dr. Hughes' death, and Dr. Lowe did submit a report of some kind, or rather a letter, to the President. Dr. Cotton, who was President at the time, called my attention to it at a meeting; and I don't beleive it was ever submitted, because it was not in the form of a report, but rather in the form of suggestions to the President; and perhaps Dr. Cotton can give us some information on that, or, it may be in the files of the Secretary; but I don't believe anything was ever published along that line—that I am aware of, at any rate.

Dr. D. M. Campbell: I believe Dr. Way's motion was not seconded. I should like to second it.

President Torrance: I now understand that the previous committee is out of existence, and the present motion in order. It has been moved by Dr. Way, and seconded by Dr. Campbell, that a committee on the History of the Profession be appointed. All in favor signify by saying aye; contrary, no. The motion is carried.

Dr. Way: The Committee on Intelligence and Education have drawn up the following: "We, the undersigned, hereby propose the name of Mr. E. S. Bayard, Editor of the National Stockman and Farmer, of Pittsburgh, Pa., for honorary membership in this Association. Mr. Bayard is one of the leading animal husbandry men in this country, and is a

member of the Board of Trustees of the New York State College, and editor of one of the leading magazines pertaining to the industry.

I move that the recommendation of the committee be adopted, electing Mr. E. S. Bayard to honorary membership in the Association.

(The motion was seconded by Dr. Campbell, and, on vote, carried unanimously.)

Dr. Way: Mr. President, the Committee on Intelligence and Education have approved and submit the following: "We, the undersigned, hereby propose the name of John J. Ferguson, of Chicago, for honorary membership in the Association."

Mr. President, I move the election of Mr. Ferguson to honorary membership.

(The motion was seconded by Dr. Campbell, and, on vote, carried unanimously.)

President Torrance: What other committee is ready to report?

Dr. V. A. Moore: I should like to make a report of the Committee on Tuberculosis. Dr. Rutherford stated he could not be here, and he asked me to make a report for the committee.

It is obvious, on such short notice, that the committee is unable to make a formal report other than to call the attention of the Association to the fact that in a good many places in this country work is being done—some of it outstanding in its results or ready for report, but one thing the Committee feels should be recorded as a step in advance, as taking place in this country, is the accredited herd system. We believe that it stands out preëminently as the greatest advance in the control of bovine tuberculosis.

Dr. Dalrymple: There is a committee that has been left off the program. Dr. Smith is here, I believe——

President Torrance: Excuse me, Dr. Dalrymple, but I think we will have to get along with one thing at a time. We have just received the report of the Committee on Tuberculosis. What is your pleasure?

(It was moved by Dr. W. H. Hoskins and seconded by Dr. Mayo that the report be received. On vote the motion was carried unanimously.)

Dr. Smith: Mr. President, as Secretary and Treasurer for the Veterinary Relief Fund I propose to submit a list of the subscribers up to date. The Treasurer has reported in his published report what was deposited, but since that was printed I find that I deposited a little more money with him. At the present time we have $5,174.94 to the credit of this committee, and it is made up of 274 subscribers. The list is here and no doubt it will become a part of the proceedings of this meeting. In making this report I want to thank the different secretaries of the different associations throughout the country who aided so materially in the collecting of this money.

In the books being turned over to me I find a little difficulty in getting the proper names and the locations of the pledges that were made. We had to take our report from the stenographer, and in this list it may appear that some of the names are misspelt because there were times when I was not quite able to decipher the different signatures. But I did the best I could along that line—and in other cases secre-

taries sent in the contribution and the pledge for the Association in one check; but as far as possible, where I could, I gave the individual subscriber credit for the amount that he subscribed to this fund. (See November Journal.)

Dr. Dalrymple: Mr. President, as a member of the Committee, it seems to me we have in the treasury over $5,000, and it seems there are people over there who need the money—our confreres on the continent of Europe.

I have a letter from Dr. Vallee, President of the Anglo-Franco-Belgian Veterinary Relief Fund, and I have a rather free translation of part of his letter, which I think will interest you, and I will read these few notes: He writes that there are 589 French veterinarians who have had their homes destroyed and their practices ruined. He believes that 400 will have recourse to the Fund. Most of them will not need help until peace is declared, as they are in the army; but they will need help in establishing their practices. At present the Committee over there has about $7,000. It spent nearly $2,000 to repatriate veterinarians and their families captured by the Germans. They are spending about $100 a month, and funds are becoming quite strained. The Committee are receiving almost nothing, and when the time for distributions comes they will have only about $4,000, which leaves about $100 per month for each French veterinarian. Professor Vallee advises that the Committee can hardly expect any aid from over there. I believe the appeal is much stronger than that. They need money, and I believe we ought to do something to help the Committee along. I believe that no money has been sent over—and we are a part of that, not only looking after our own men and their families, but we are supposed to assist those poor fellows across the water. Now, another suggestion. I think all of us know that Dr. Liautard was the originator of this Fund over there, and I think it would be a splendid tribute to his memory to distinguish our Fund from the Anglo-Franco-Belgian Fund, and to call it the "Liautard Relief Fund," to perpetuate his name in this Fund, as he was the originator of it.

I see those two things in the letter of Dr. Vallee—that they are getting strained in funds, and will be glad to accept any aid offered. I just bring that before the Association as a suggestion, that something ought to be done to send them something over there to help them out.

Dr. W. H. Hoskins: I would like to ask if the Committee has any amount in their mind to recommend.

Dr. Dalrymple: No, I believe not.

A Member: I move that half of our fund be given to the Liautard-American Relief Fund.

(The motion was seconded.)

A Member: I would like to ask if any of the families of American veterinarians in France are now in distress.

Dr. Smith: In answer to that I would say, no. There has been a little relief passed out to some of the families that were temporarily embarrassed, but up to this meeting we did not have any way in which to distribute this money or take it from this Fund; but I understand the Executive Board has made it possible to allow the disbursing officer

to take care of such emergencies that arise. But the principal relief passed out was that some of our men going from the cantonment and getting a quick order to sail over, found themselves embarrassed, and just wanted a little money to go over; and that has been taken care of through private sources.

A Member: I also want to ask whether the collectors of that Fund in each separate State are still in office, or whether we should send it to the Treasurer.

Dr. Smith: That is for this meeting to decide, whether they wish to continue this Committee or not; but up to today I have been receiving whatever money was offered to me, and, unless the Association rules differently I will continue to take all money that comes my way, and deposit it through this Committee.

A Member: Through the very able efforts of Major Turner and his wife in Washington quite a sum was collected, and I believe she told me before she went home that she made a report, but inasmuch as one gentleman suggested that we send every penny of our Fund and inasmuch as in the near future our own men and their families will be needing more money, it seems to me the Committee should be made permanent, and the state secretaries should be made permanent, for the period of the war at least. Five thousand dollars seems a very small sum indeed for the work in hand.

Dr. Winchester: I seconded Dr. White's motion to go fifty-fifty with this fund, but I don't know who has the distribution of it. I don't know what organization or what body of men in this organization has power to distribute. Dr. Smith says he will take all he can get. I don't blame him, but he will have to keep it; he has no right to dispense it.

I think it advisable to find out who is responsible for the distribution, and by what authority they can distribute.

Dr. Mayo: In order to get this started off right I move that the report of the Committee be accepted and the Committee continued. (Motion seconded by Dr. Hoskins.)

President Torrance: There is already a motion before the house, but as the motion of Dr. Mayo naturally takes precedence of it, with the consent of the assemblage I will put that motion first, that the Committee report be accepted and the Committee continued.

(President Torrance put the motion to vote, and it was carried unanimously.)

Dr. Hoskins: I don't know whether Dr. Winchester was in the room at the time, but the Executive Board made a recommendation that $500 be in hand as a revolving fund to meet these emergencies of any one needing temporary aid. That has been passed.

Now it is in the province of the Association to decide as to what shall be done with this fund, so that the motion that we send one-half of this fund over there, to the Fund on that side, as indicated by Dr. Dalrymple, is to my mind thoroughly in order.

Dr. Mayo: I fully agree with these suggestions and recommendations made. I think, however, that this motion ought to refer the matter to the Executive Board with power to act, and with the recommendation that half of this Fund be sent to the Anglo-Franco-Belgian Relief Com-

mittee. We will have to change the name to the Liautard Relief Fund later on, it seems to me, between this meeting and a later meeting, to decide. There may be emergencies come up that need prompt action, and that will have to be referred to the Executive Board.

(The motion was seconded.)

President Torrance: It is moved that the available funds of the Veterinary Relief Fund be appropriated and sent to the Anglo-Franco-Belgian Relief Fund in the hands of Dr. Vallee. It is moved that the matter be referred to the Executive Board with power to act, with the recommendation that half of this fund be sent to the Anglo-Franco-Belgian Relief Fund. I will put the amendment first.

(On vote, the amendment was carried unanimously.)

President Torrance: The amendment is carried.

Dr. Mayo: I move that this fund be called "The Liautard-American Relief Fund."

(Motion seconded.)

Dr. Quitman: I don't want to appear in the light of detracting any from the works and glories of Professor Liautard. While I am not a very old man, I had the pleasure of knowing him slightly, listening to his lectures, and attending clinics, although not actually an attendant at his college. However, we have had and will have an opportunity to honor the name of Professor Liautard in many ways. I believe this Fund should be known as "The American Fund" or "The American Veterinarians' Fund." I don't believe in too many hyphenated names. The money is being gathered here. We are going to add to this Fund from time to time, and I personally would like to see that remain as "The American Veterinarians' Fund" or some similar name. I am not designating an absolute name. We are honoring Liautard in other ways, and I don't believe we should be entirely led away by the spirit of sentiment. Let us think it over.

President Torrance: It has been moved and seconded that the name of the Veterinary Relief Fund be changed to "The Liautard-American Veterinary Relief Fund." Are you ready for the question? (Question.) All in favor signify by saying "aye"; contrary, "no." The ayes have it, and the motion is carried.

Dr. Dalrymple: I might mention that I hope the name "American" there will save confusion between that and the Liautard Fund on the other side.

President Torrance: We will now have the report of the Committee on Resolutions.

Dr. Stange: Mr. President, Dr. Reichel has asked me to present these resolutions to the Association. (See November Journal.)

DISCUSSION ON RESOLUTIONS CONCERNING BUREAU OF ANIMAL INDUSTRY.

Dr. Mayo: In this resolution, and also in the one preceding, there is no reference to Canada, and I think that the sentiment of both of these resolutions ought to be equally applicable, and that copies should be sent to the corresponding officials in the Canadian Government.

President Torrance: Is there any further discussion? As a Canadian I am glad to hear the kind remarks of my friend Dr. Mayo, and I take it

as an indication that the expression of feeling contained in the resolution applies equally to Canada as to the United States.

Dr. Kinsley: Do I understand that to be incorporated in these?

President Torrance: No, it does not mean that.

Dr. Kinsley: Well, I second the motion.

Dr. Mayo: I think we had better pass this, and then make a separate motion afterwards to cover the matter.

President Torrance: Are you ready for the question? All in favor of the adoption of this resolution signify by saying "aye"; contrary, "no." The motion is carried.

Dr. Mayo: Now, Mr. President, I will put my suggestion in the form of a motion, that these resolutions, properly prepared—I mean to say the necessary change in the wording—copies of these resolutions be sent to the Canadian authorities having charge of the similar work in that country.

(The motion was seconded by Dr. Way.)

President Torrance: It has been moved and seconded that copies of these resolutions, with the necessary change in wording, be sent to the Canadian authorities. All in favor signify by saying "aye"; contrary, "no." The motion is carried.

Dr. Campbell: I move that the report of the Committee on Resolutions be adopted as a whole, and the Committee discharged.

Dr. Quitman: Reference was made to the Saddle and Sirloin Club. No reference was made to its location, which should be done, I think.

President Torrance: That is a minor matter. That can be inserted.

(Dr. Campbell's motion was seconded by Dr. Kinsley, and, on vote, carried unanimously.)

President Torrance: The next report is that of the Audit Committee. Has the Audit Committee any report to present?

Dr. Day will read the report in the absence of Dr. Cooley.

Acting Secretary Day: "The Audit Committee respectfully submit the following report: We find the Treasurer's report as submitted to be correct, after going over same and checking each deposit made and each expenditure item in the several funds, namely: American Veterinary Medical Association Fund, Journal Fund, Relief Fund."

Dr. Mayo: I move that the report be accepted and the Committee discharged.

(The motion was seconded by Dr. Quitman, and, on vote, carried unanimously.)

President Torrance: The report of the Budget Committee. Is that report ready?

(The report of the Budget Committee was not at hand.)

President Torrance: The report of the Committee on Necrology. Is that report ready?

(No report is at hand at this time.)

President Torrance: The report on "Army Veterinary Service."

(No report is ready at this time.)

President Torrance: We will take up the report of the Committee on Anatomical Nomenclature.

The report of the Committee on Veterinary Anatomical Nomenclature was read by the Chairman, Dr. H. S. Murphey. (See November Journal.)

Dr. Mayo: I move that the report of the Committee be received and the Committee continued.

(The motion was seconded by Dr. Quitman, and, on vote, carried unanimously.)

President Torrance: That brings us to the end of the reports of the committees; and I would ask our Secretary if he has any other business to be presented at this time.

Dr. Mayo: I have some new business I would like to present to the Association.

President Torrance: Dr. Mayo.

Dr. Mayo: The rapid growth of this Association necessitates a corresponding increase in the expenses in connection with the annual meeting; therefore, I move that all the necessary expenses incurred in connection with the annual meetings of this Association, such as the expenses for halls, for the general and sectional sessions and for committee and officers' meeting rooms, the printing of programs, and providing of proper facilities for carrying out the program, be paid by this Association.

Dr. Hoskins: I would like to second that, and have it referred to the Executive Board, for the reason that the cost of carrying on these meetings is becoming a tremendous problem for many locations, and it makes locations hesitate to invite us, because there has to be a very large sum of money raised by the local committee on arrangements, in the convention city; and I think that prevents our going into sections of the country where I think we might be very helpful. It is becoming a very serious matter, and I think we ought to call a halt on the burden being placed on those in the city at which the convention is held.

President Torrance: Could not that go over for a year?

Dr. Hoskins: I am simply speaking in favor of the resolution.

President Torrance: The Executive Board to report to this meeting right here?

Dr. Hoskins: Yes.

Dr. Mayo: This does not require a change in the Constitution and By-laws; and therefore it does not need to go over until next year for action. It is simply doing away with the custom that has been observed in this Association for a number of years, and it is made for the very object which Dr. Hoskins has so ably stated.

The Association has grown so tremedously in the last two years that it is neither right nor proper that this burden, which is strictly a business proposition of this Association, should be borne by the local veterinarians.

(On vote, the motion was carried unanimously.)

Dr. Cary: I move that the incoming President be instructed to appoint a committee of three, to be known as the Publicity Committee, to see that the notices and reports put in the papers are correct, and also to see that we get some notice. You will note the absence of news in the Philadelphia papers, and what has been put in has been erroneous.

I believe we are losing a certain amount of educational value by not

having notices appear in the papers, and this committee of three, to be appointed by the incoming President, is to look after this for the coming year. I think it ought to be made up of some of the men in the immediate vicinity, who would have influence with the papers.

Dr. Moore: I wish to second that motion. I believe we should have a committee to look after the daily press. That is one thing that has been sadly overlooked, not only in the proceedings of our national associations but also in the proceedings of the state associations. What is everybody's business is usually no one's business, and we have not had the kind of publicity we should have in our daily press.

Dr. Kinsley: I should like to ask if this simply refers to the time the Association is in session.

Dr. Cary: Yes.

Dr. Kinsley: I should like to support that motion, but if we have a committee to act throughout the year, it is likely to get us in trouble. I would amend that motion to read that the committee is to act only while the convention is in session.

(The amendment is accepted by Dr. Cary.)

Dr. Mohler: I should like to say that I saw column after column of matter prepared by the Publicity Committee for the local press—that is, sent to the city editors—and no publicity committee can force city editors to publish news on a meeting of this kind when there is so much war news they can get. I don't want this to go out as a reflection on the Committee on Publicity.

Dr. Campbell: I should like to say the same thing as what Dr. Mohler has said in regard to the committee of last year and the year before. I know they both made sincere efforts to get notices published in the daily press. I should support that except that the words "daily press" should be removed from that, or, at least, that the "farm press" be included in that.

I know something about the conditions of the daily press. There would be great value by getting this in the farm press or live stock press. We cannot send this material to the city editors with much chance of getting it through, but in regard to the live stock editors, who have been invited to come to our meetings—if they cannot come and we send them a report later on, they feel much more like using it than if they never had any consideration at all. I think the committee will have lots of space given them in the live stock and farm press, but not in the daily press.

Dr. Hoskins: Cannot this be left to local men? It might be a debatable question as to whether the committee is at fault or the fellow who works the scissors.

President Torrance: It has been moved by Dr. Cary and seconded by Dr. Mohler that the incoming President be instructed to appoint a committee of three on publicity, in connection with the next meeting of the Association.

The viva voce vote being inconclusive, a show of hands is asked for by President Torrance. On the vote by the raising of hands the motion is defeated.

Dr. Mayo: From a business point of view it is important that we look into the future as far as we can with our present knowledge; and the business feature of this Association is an important one, and growing every year. The subect that I am about to present I present with a great deal of trepidation for fear that my motives may be misunderstood. I wish to assure you, however, that there is absolutely no selfish motive in this proposal that I shall make. The inference may be that Mayo is looking for a job. I want to say to you that I could not consider it at all; and there is another phase—well, I will read this first: This is a proposal to change the Constitution and By-laws with a view to combining the offices of Secretary and Editor of the Journal so that the Association may have a permanent business office where all the business activities of the Association will be carried on. It is somewhat, or practically, the same plan, except in a lesser degree, that is now carried out by the American Medical Association. In proposing these changes, it does not necessarily imply that they shall be made next year, but I make them now so that if the Association deems it wise a year from this time to put them into effect the opportunity will be there. If they do not see fit to do this, why, that is for the Association to decide.

I mentioned myself particularly because I am pressing the resolution, but it might be equally embarrassing for whoever is elected to be Editor of the Journal for the coming year; and it seems to me, then, it will be a question that will have to be decided for next year, as the circumstances warrant. I am only providing for this contingency. The proposal to change the Constitution and By-laws is as follows:

> "Article V, Section 4, and Article 13 of the By-laws. Striking out the words 'and the properties of the official journal office' and inserting 'The Secretary shall also be Editor and Business Manager of the official journal of the Association and shall perform the usual duties of such position,' and striking out the first paragraph of Article 13 of the By-laws. Also changing paragraph L, Section 7, Article V, by inserting the words in line 2 'Secretary, who shall also be Editor,' and striking out the word 'an.'"

Dr. Campbell: I move that the communication be received and take the usual course, for consideration at our next meeting.

(The motion was seconded by Dr. Dalrymple, and, on vote, carried unanimously.)

President Torrance: Is there any report from the Executive Board?

Acting Secretary Day: I have the name of one applicant here that has been favorably reported upon by the Executive Board: Dr. Joseph Alexander Allen, graduate of the University of Toronto and of the Ontario Veterinary College, 1916; vouched for by Dr. George Hilton and Dr. F. Torrance.

Dr. Kinsley: I move that the rules be suspended and that this gentleman be elected to membership in the Association.

(Motion seconded by Dr. Hoskins and, on vote, carried unanimously.)

President Torrance: Has the Executive Board any report to be made this morning? It is necessary, I consider, that the Executive Board report to the Association as to the election of Editor and Manager for

the Journal for the ensuing year. If it is not done at this meeting I don't know when it can be done.

Dr. W. Horace Hoskins: In order that the Association may go on with the program, I think your Executive Board can meet at this time and report later in the morning.

President Torrance: We have a little business in the way of reports still to be presented. The report of the Committee on Necrology has not been presented yet. Is Dr. Cahill here?

(No response.)

Dr. Mayo: Do we know that that report will be presented here?

President Torrance: No.

Dr. Mayo: Can we not move that this report be presented to the Executive Board, to take the usual course?

President Torrance: Yes.

Dr. Mayo: I make such a motion.

(The motion is seconded.)

President Torrance: It has been moved and seconded that this report be presented to the Executive Board, for such action as they see fit.

(On vote, the motion was carried unanimously.)

President Torrance: The Budget Committee desires to report through myself as Chairman that they have examined the finances of the Association, and find them to be as reported, and in good condition. They recommend that $1,000 be appropriated for the use of the Committee on Legislation; and that the Treasurer be instructed to invest $3,000 of the funds of the Association in war bonds of the United States and $3,000 in war bonds of Canada.

(It was moved by Dr. Dalrymple and seconded by Dr. Mayo that the work of the Budget Committee be accepted. On vote, the motion was carried unanimously.)

President Torrance: Now the Secretary has a further report from the Executive Board.

Acting Secretary Day: The Executive Board recommend the following with reference to the Klein resolution, the resolution that was held over from last year: They recommend that the amendment to Section 4 of Article II of the By-laws should read as follows:

> "Except as provided for in Section 3, only those veterinarians may be elected to active membership who have been duly graduated from an approved veterinary college maintaining a course of instruction extending over four collegiate years of not less than thirty-two weeks each and of not less than seventeen credit hours per week, beginning with the session of 1919-20."

Dr. W. H. Hoskins: I move that this recommendation by the Executive Board be adopted.

(The motion was seconded by Dr. Mayo.)

President Torrance: The amendment to the Constitution was given notice of last year—it has been moved and seconded that it be adopted. This is a matter which should not be passed without some little consideration, as it involves a change which affects all the veterinary colleges in the United States and Canada. Are you ready for the question?

(Question.)

President Torrance: Dr. Mayo, didn't you have something to say in regard to postponing action on this, a little while ago?

Dr. Mayo: I would like to have that proposed change read once more, please.

President Torrance: I understood that some member objected, because the action by the United States Government in regard to veterinary education rather clashed with this proposed amendment—until the United States regulation had been tried out. That was my impression, but I forget who spoke of it.

(Acting Secretary Day again reads the amendment recommended by the Executive Board.)

Dr. Mayo: Mr. President, I really don't understand this fully enough to feel qualified to vote on it at the present time. It seems to me that this matter is one that requires a knowledge of the status, or the probable status, of the regulations of the War Department and the Bureau of Animal Industry before we can—I don't know in what respect it clashes with it, or whether it does clash with it.

Dr. Stange: This is a change which is proposed to clarify the statements made in our Constitution and By-laws. It read something to the effect that we require four collegiate years of not less than seven months each. Well, now, a month sometimes means four weeks and sometimes it means something else. Here we have a definite statement of four years of thirty-two weeks each, which does not take effect this year but next year; and I think we can rest assured it is not going to clash with any regulations of the law.

President Torrance: I would ask, if the recommendation is passed, whether it will have the scrutiny of the Executive Board?

Dr. W. H. Hoskins: Yes.

(The motion was put to vote and carried unanimously.)

Acting Secretary Day: The Executive Board move to amend Section 5, Article II, "Beginning with the collegiate year of 1919-20 the matriculation requirement shall not be less than four years of high school work or equivalent studies taken in other preparatory schools, provided, that candidates for admission to approved veterinary schools who cannot present a satisfactory certificate from the proper official of the school or schools attended covering the required amount of preparatory work may be admitted upon passing satisfactory examinations approved by the proper state educational officers."

President Torrance: Gentlemen, you have heard the proposed amendment of the By-laws. Are you ready to vote on this?

(It was moved and seconded that the above resolution, recommended by the Executive Board, be adopted as read. On vote, the motion was carried unanimously.)

Acting Secretary Day: I also wish to state that the Executive Board recommend that Dr. Dalrymple be appointed Editor of the Journal. Is there any discussion? Are you ready for the question?

(Question.)

President Torrance: All in favor of accepting this recommendation of the Executive Board signify by saying aye; contrary, no. The ayes have it and the motion is carried.

Acting Secretary Day: The Executive Board also recommend that the Treasurer of the Relief Fund send immediately a sum not to exceed $2,500 to Professor Vallee for the relief of needy veterinarians of our Allies.

Dr. Murphey: It seems to me when I heard the discussion on this before that the suggestion might not be out of order in this respect, and that is that the ranking veterinary officer from the Dominion of Canada and the ranking veterinary officer from the United States, in France, be appointed a committee to make a suitable presentation of this to Professor Valee, to properly represent the dignity of this Association.

Dr. Hoskins: I second the recommendation.

Dr. Mayo: I certainly think that an excellent suggestion, that this presentation be made through the ranking veterinary officer of the forces of the United States and Canada.

Dr. V. A. Moore: I would heartily support that, but does the military situation over there allow this to be done immediately? It might be possible that they could not do this because they would be with detachments. It might cause delay.

Dr. Mayo: Let us put it "if possible" or "if practicable."

President Torrance: It has been moved and seconded that the recommendation of the Executive Board instructing the Treasurer of the Relief Fund to send immediately $2,500 to Professor Vallee for the immediate relief of veterinarians in the Allied territories suffering from the ravages of war, be concurred in; and if practicable the ranking officers of the American and Canadian armies be formally requested to make the presentation to Professor Vallee.

Dr. Mayo: I understood that to mean the ranking veterinary officers.

President Torrance: The ranking veterinary officers. Are you ready for the question?

(Question.)

President Torrance: All in favor signify by saying aye; contrary, no. The ayes have it and the motion is carried.

Acting Secretary Day: I believe that is all the recommendations of the Executive Board. I have a number of notes here, and some might have got mislaid, but I believe that is all the recommendations of the Executive Board.

INSTALLATION OF OFFICERS.

President Torrance: In turning my reins of office over to my successor I wish to thank the members of the Association for the orderly way in which they have conducted themselves throughout the convention. I will now ask Dr. Mayo to escort the new President into the Chair.

President Torrance: Dr. Moore, I am delighted to hand over to you the symbol of office, and bespeak for you the hearty support of the Association. (Applause.)

President-Elect Moore: Dr. Torrance and members of the Association: I thank you sincerely for this honor. I assure you it was not a thing I sought. Personally, I would have been very glad if this responsibility had fallen on the shoulders of another. However, I shall assume

the responsibility and do as well as I can—expecting, of course, the hearty support and co-operation of every member of the Association. I thank you. (Applause.)

I believe we now have to be introduced by asking people to escort the new officers.

Dr. Eichhorn (not present).

Dr. Goss (not present).

Dr. Hart (not present).

Dr. Smith (not present).

Dr. Hollingsworth (not present).

President Moore: The Vice Presidents are introduced by title. The Secretary needs no introduction, I believe, but we wish a word from Dr. Mayo.

Secretary-Elect Mayo: I certainly appreciate more than I can tell you the honor you have conferred upon me. I shall try to fulfill the duties, or carry out the duties, of the office just as efficiently as I can, withot fear and without favor. (Applause.)

President Moore: Dr. Jacobs, the newly elected Treasurer (not present).

President Moore: Dr. Dalrymple, the newly appointed Editor of the Journal (not present).

President Moore: This, I believe, concludes my duties for the present.

There is with us a representative of Japan, Dr. K. Kasai, Assistant Professor of Veterinary Surgery in the College of Agriculture, Imperial Tohokin University, Sapparao, Japan, who would like to say a word, and I have arranged that he should, but the hour is so late and there are so few of us here, I will explain that he will have an invitation to address the meeting next year.

Is there any further business to come before the Association? If not, a motion to adjourn is in order.

(The convention adjourned at 1:15 p. m.)

MEETING OF THE EXECUTIVE BOARD.

The report of the meeting of the Executive Board of the American Veterinary Medical Association, held at the Hotel La Salle, Chicago, December 2, 1918, as follows:

The meeting was called to order by President Mohler. Those present were Dr. J. H. Mohler, Dr. T. C. Munce, S. E. Bennett, Dr. George Hilton, Dr. A. T. Kinsley, Dr. C. H. Stange; absent, Dr. R. A. Archibald. The first business was the election of chairman for the coming year. It was moved and seconded that the present chairman, Dr. J. R. Mohler, be continued for the ensuing year. Carried.

The minutes of the Executive Board meeting in Philadelphia were approved as amended.

It was moved and seconded that the invitation to hold the next meeting of the American Veterinary Medical Association in New Orleans, beginning the week of October 20. (The date of the meeting was changed later to begin the week of October 13, 1919.) Carried.

It was moved and seconded that the Secretary of the American Veterinary Medical Association was authorized to employ legal talent whenever the Association business demands it. Carried.

It was moved that the Secretary be allowed a revolving fund of $200.00 for incidental office expenses. Carried.

The Executive Board adjourned to meet Tuesday morning, December 3, at 9:00 a. m.

Meeting called to order by Chairman Mohler. It was moved and carried that the Secretary have 200 mimeographed copies of the list of applicants be prepared for the New Orleans meeting and that a list of applicants be sent to each resident secretary for information regarding any of the applicants from their state. Carried.

It was moved and carried that the date of the New Orleans meeting be changed from the 20th of October to the 13th. Carried.

It was moved and seconded that the application blanks for membership be changed to read "Applications to be accompanied by a remittance of $10.00. Five dollars for the initiation fee and five dollars for dues for the first year." Carried.

It was moved and carried that the chairman of the Executive Board in consultation with the editor of the Journal should appoint a subcommittee on the Journal. Carried.

?The meeting of the Board was called for the noon hour on December 3. Dr. Bennett was absent. At the request of President Moore it was moved by Dr. Kinsley that a committee of five from the United States and a committee of three from Canada be appointed by President Moore to deal with veterinary reconstruction problems in their respective countries. Carried.

The United States committee is: Chairman J. R. Mohler, Col. Stancliff, Dr. G. H. Robert, Dr. C. H. Stange and Dr. John Adams.

The Canadian committee appointed were: Dr. George Hilton, Dr. C. D. McGilvray and Dr. F. Torrance.

The Executive Board adjourned without date.

N. S. MAYO.

CONSTITUTION AND BY-LAWS OF THE AMERICAN VETERINARY MEDICAL ASSOCIATION

CONSTITUTION
(As Amended)

Article I

Section 1. This organization shall be incorporated and known as the AMERICAN VETERINARY MEDICAL ASSOCIATION.

Article II

Objects

Section 1. The objects of this association are:

(a) To protect and promote the professional interests of the veterinarian.

(b) To elevate the standard of veterinary education.

(c) To procure the enactment and the enforcement of uniform laws and regulations relative to veterinary practice and the control of animal disease.

(d) To direct public opinion regarding problems of animal hygiene.

(e) To promote good fellowship in the profession.

Article III
Members

Section 1. Membership in this association shall be of two kinds—Active and Honorary.

Active Members

Section 2. Active members must be graduates of veterinary colleges approved by the association and recommended by the Executive Board and elected to membership in accordance with the By-laws.

Honorary Members

Section 3. Honorary membership may be conferred upon any person resident in any part of the world, who has rendered valuable service to Veterinary Science. A person proposed for Honorary Membership must be recommended by the Committee on Intelligence and Education, and to be elected he must receive a three-fourths vote of the active members present at a regular meeting. Honorary members shall have all the privileges of active members, except that they shall not pay dues, hold office nor vote, nor have any right or title to or interest in any real or personal property of the association. Not more than three Honorary Members shall be elected in one year.

A sum of money each year shall be appropriated for the necessary payment of the Journal for Honorary Members.

Article IV
Meetings

Section 1. Meetings of the association shall be regular and special. The regular meeting shall be held annually. It shall be convened not earlier than July 15th, nor later than the 31st of December of each year,

unless otherwise ordered by a two-thirds vote of the members of the association, and notice of the selection shall be given to each member by the secretary at least sixty days before the date of the meeting, or at such time as may be designated by a special election held in accordance with the By-laws.

The time, place and duration of the regular meeting shall be fixed by the Executive Board within sixty days after the annual meeting unless otherwise ordered by the association at an annual meeting. Special meetings may be called by the President upon request in writing of not less than 200 active members. The time, place and purpose of special meetings shall be designated in the call.

Notice in the Journal from the Secretary shall constitute official notice of a meeting.

Article V

Officers

Section 1. The officers of the association shall consist of a President, five Vice Presidents, a Secretary, a Treasurer, and an Executive Board. They shall be elected at the regular annual meeting, and hold office, with the exception of the District Members of the Executive Board, for one year from the date of their election, or until their successors are elected and have assumed office. No person shall be eligible to the offices of President, Vice President, Secretary or Treasurer unless he has been a member in good standing for the five years preceding his election.

President

Section 2. The President shall preside at all meetings of the association. At the regular annual meeting he shall be expected to deliver an address. The President shall appoint members of committees and all officers whose appointments are not otherwise provided for; he shall perform such other duties as ordinarily devolve upon a president. He shall not be eligible for re-election.

Vice Presidents

Section 3. In case of death or resignation of the President, or in case of his inability to perform the duties of his office from any cause, the same shall devolve upon the Vice President in seniority for the remainder of the unexpired term, or until the disability shall be removed.

Secretary

Section 4. The Secretary shall perform all the clerical duties of the association, and be custodian of all its property except money, and the properties of the official Journal office. All moneys received by him shall be paid monthly to the Treasurer. He shall receive such salary and allowance as may be recommended by the Executive Board and approved by the association.

He shall give bond to the association in the sum of five thousand dollars ($5,000), acceptable to the Executive Board. He shall present a written report at the regular annual meeting.

Treasurer

Section 5. The Treasurer shall account to the association for all moneys received. He shall give bond to the association in the sum of ten thousand dollars ($10,000), acceptable to the Executive Board. At the expiration of his term of office he shall account for and turn over to his successor in office all moneys, vouchers and account books belonging to the association.

The Treasurer shall pay out moneys only on vouchers countersigned by the President and Secretary, or President and Editor, excepting minor expenses of the Secretary, and such revolving fund allowance as may be placed at the disposal of the Editor and Manager of the "Journal" by the Budget Committee.

The Treasurer shall at the regular annual meeting present a written detailed statement with vouchers covering all receipts and expenditures.

Properties

Section 6. All officers shall, at the expiration of their terms of office, turn over all property of the association to their successors.

Executive Board

Section 7. A—The Executive Board shall consist of seven members, one from each Executive Board district and one member at large, and it shall elect annually its own chairman.

B—Each member of the Executive Board shall hold office for five years, except the district members first elected under this Constitution. Those first elected from the First, Second, Third, Fourth and Fifth Districts shall hold office respectively for one, two, three, four and five years from the date of election.

C—The Executive Board shall constitute the Administrative Body of the association, and shall make all necessary regulations for carrying into effect the provisions of this Constitution and the By-laws.

D—Unless otherwise provided for, the Executive Board shall select the time, duration and place for holding the annual meetings, and shall make necessary arrangements therefor.

E—The Executive Board shall pass upon the eligibility of all candidates for membership and report their recommendations to the association. Four members of the Executive Board shall constitute a quorum for the transaction of business.

F—The Executive Board shall act upon and report promptly on all recommendations of the President of the association and resolutions or other matters duly referred to them by the associations, or sections thereof.

G—On written request of at least one hundred members of the association through the Secretary, the Executive Board shall submit any question to the whole membership for decision by mail ballot. All ballots returned to the Secretary shall be signed by the active members voting and said ballots shall be retained by the Secretary for at least two years after they have been counted. All mail ballots on specific questions, nominations and elections shall be of the same date and issue. Ballots not signed, and ballots not returned within sixty days after date of issue, shall not be counted.

H—Accurate records shall be kept by the Secretary of the association of all meetings of the Executive Board.

I—A summary of such records shall be published in the proceedings and distributed to the members, except when the Executive Board deems it for the best interests of the association to temporarily withhold from such publication and distribution such records or any part thereof.

J—Itemized accounts of all disbursements, with the purpose thereof and records of votes shall never be withheld from publication.

K—The Executive Board shall have full discretion to withhold from the "Journal" in whole or in part any paper or part of proceedings that may be referred to the Board by the association or by the editor.

L—It shall be the duty of the Executive Board to consider and recommend yearly to the association concerning the selection of an Editor and Business Manager of the "Journal" of the American Veterinary Medical Association. The Editor and Business Manager of said "Journal" shall receive such salary and allowances as may be recommended by the Executive Board and approved by the association.

M—The Executive Board shall have the "Journal" accounts audited by a qualified accountant annually or oftener if deemed necessary, and submit annually to the association a financial statement including inventory.

N—The Executive Board shall be vested with power to hear all complaints filed before it in writing relative to the improper conduct of any member, and shall, if thought advisable, summon the member so charged to appear before it at the next annual meeting of the association, to answer the charges and make defense. If the Board find the defendant guilty as charged, said Executive Board shall report at once to the association a summary of the charges and evidence submitted on both sides, together with such recommendations as may be deemed wise; but no public report of such charges or evidence shall be made by the Board or any member thereof until after trial by the Executive Board.

Executive Board Districts

Section 8. There shall be six Executive Board Districts as follows:

District No. 1 shall consist of Canada.

District No. 2 shall consist of Pennsylvania, New York, the New England States, New Jersey and Delaware.

District No. 3 shall consist of Illinois, Ohio, Wisconsin, Michigan and Indiana.

District No. 4 shall consist of Kentucky, West Virginia, Virginia, Maryland, District of Columbia, Tennessee, North Carolina, South Carolina, Georgia, Alabama, Mississippi, Florida, Cuba, South America.

District No. 5 shall consist of Alaska, Washington, Montana, North and South Dakota, Minnesota, Iowa, Nebraska, Wyoming, Idaho, Oregon, Philippines, and Hawaii.

District No. 6 shall consist of California, Nevada, Utah, Colorado, Kansas, Missouri, Arkansas, Oklahoma, Louisiana, Texas, New Mexico, Arizona, Mexico, and Central America.

Vacancies and Removals

Section 9. The President shall fill any vacancies in the Executive Board from the district in which such vacancy occurs, and said appointee shall hold office until a special election of the district may be held.

If a member of the Executive Board removes from his district, such removal shall automatically cause a vacancy.

Vacancies in the office of the Secretary or Treasurer shall be filled by appointment for the unexpired term by the President.

The Executive Board may, for dishonesty or incompetence, remove the Secretary or Treasurer from office upon approval of the President.

Executive Board Meetings

Section 10. The Executive Board shall hold its regular session at the time and place of the annual meeting of the association. Special meetings may be called by the Secretary upon written request of five members of the Executive Board.

Article VI

Any amendments to this Constitution shall be proposed in writing at an annual meeting and referred to the Executive Board for recommendation or otherwise; but such amendments shall not be acted upon until the next following annual meeting, nor shall they be adopted finally except by the votes of at least two-thirds of the members present and voting.

BY-LAWS.

Article 1.
Order of Business.

Section 1. The following shall be the order of business, except as otherwise provided:

1. Call to order by the President.
2. President's address.
3. Presentation and adoption of minutes.
4. Report of the Executive Board.
5. Admission of New Members.
6. Election of Officers.
7. Reports of Officers.
8. Reports of Committees.
9. Unfinished business.
10. New Business.
11. Installation of Officers.

Section 2. All meetings of the association shall be governed by Roberts' Rules of Order when not in conflict with the By-laws.

Article 2
Application for Membership

Section 1. Application for membership in the association shall be made on blank forms approved by the Executive Board. The applica-

tion blanks filled out and signed by the applicant in his own hand writing shall be mailed or delivered to the Secretary, who shall present the same to the Executive Board for consideration. An application to be considered must have been endorsed by two members in good standing, one of whom shall be a resident of his own state, and must be accompanied by the membership fee and one year's dues. If the applicant is a practitioner he shall have satisfied the legal requirements for practice in the state in which he resides.

Section 2. Except as provided in Sections 3, 4 and 5, of this Article, only those veterinarians may be admitted to active membership who have spent not less than three collegiate years in the study of veterinary medicine and have been duly graduated from an accredited veterinary college conforming to the requirements of regulations 1 to 19, inclusive, of the Bureau of Animal Industry Circular No. 150, as printed on pages 175 to 182 of the Proceedings of the forty-ninth annual meeting of the A. V. M. A., 1912.

Section 3. A graduate of a veterinary college which, at the time of his graduation, did not maintain an educational standard in conformity with the active membership requirements of this association, may upon recommendation of the Executive Board, be elected to membership, provided he has been duly graduated not less than five years prior to the date of application, and further, that the college has ceased to graduate veterinarians contrary to the standards now fixed by this association.

Section 4. Except as provided in Section 3, only those veterinarians may be elected to active membership who have been duly graduated from an approved veterinary college maintaining a course of instruction extending over four collegiate years of not less than thirty-two weeks each and of not less than seventeen credit hours per week, beginning with the session of 1919-20.

Section 5. Beginning with the collegiate year of 1919-20 the matriculation requirement shall not be less than four years of high school work or equivalent studies taken in other preparatory schools, provided that candidates for admission to approved veterinary schools who cannot present a satisfactory certificate from the proper official of the school or schools attended covering the required amount of preparatory work may be admitted upon passing satisfactory examinations approved by the proper state educational officers.

Section 6. All candidates for membership favorably reported to the association by the Executive Board, shall be balloted upon and a three-fourths vote in the applicant's favor will entitle him to active membership.

Article 3

Section 1. Notice of the time and place of holding the regular meeting shall be announced at least three months before the date fixed for the meeting.

Section 2. Notice of the time and place of holding a special or adjourned meeting shall be mailed to each active member at least twenty days before the date fixed for the meeting. No business shall be transacted at special meetings which was not clearly and definitely stated in the call convening such meeting.

Section 3. The general sessions of the association shall be held at 2:00 P. M. each day, except the first. On the first day of the annual meeting there shall be a session at 10:00 A. M.

The sections of the association shall hold their meetings at 9:00 A. M. each day, except the first day, when they shall convene at 2:00 P. M. Night sessions may be convened by consent of the membership of any section.

Article 4

Quorum

Section 1. Twenty-five per cent of the members of the association registered at any meeting shall constitute a quorum for the transaction of business.

Article 5

Dues

Section 1. There shall be an initiation fee of five dollars ($5.00). The annual dues shall be five dollars ($5.00), payable in advance on the first day of September. Honorary members shall pay no dues.

Article 6

Delinquency

Section 1. Any member who for two years fails to pay his annual dues shall forfeit his membership thirty days after notification from the Secretary has been mailed to his last known address.

After the first four months of such delinquency his name shall be stricken from the "Journal" mailing list.

Article 7

Reinstatement.

Section 1. A member who has forfeited his membership for non-payment of dues, may be reinstated upon payment of his entire indebtedness to the association.

Section 2. A member who loses his membership for a reason other than non-payment of dues may be reinstated only by application as in the case of new members.

Article 8

Nominations

Section 1. Nominations for office, except as otherwise provided for, shall be made orally. A nominating speech shall not exceed two minutes and the nominations shall not be closed until every member present has had an opportunity to present his candidate.

Article 9

Election of Officers

Section 1. A majority of all votes cast shall be necessary to elect. If no nominee receives a majority of the votes on the first ballot, the nominee who receives the lowest number of votes shall be dropped and a new ballot shall be taken, and so on until a nominee receives a majority.

Section 2. The officers of the association shall be elected at the afternoon session the second day of the annual meeting.

Article 10

Election of Members of Executive Board

Section 1. At least six months before the annual meeting, the Secretary of the association shall send to each member in that district a statement that a member of the Executive Board is to be elected and ask for a nomination to be sent to the Secretary at least four months before the annual meeting. The Secretary shall make a list of the names of the highest five, who shall constitute the nominees for membership of the Executive Board in that district. Each member of the district must send his ballot for the nominee of his choice to the Secretary two months before the annual meeting. The nominee shall be voted upon by mail ballot. A plurality only shall be necessary to a choice. In case of a tie the members from the district attending the annual meeting shall decide by ballot at a meeting of the members from the district called by the President.

The member at large shall be elected by ballot at the regular annual meeting.

Articl 11

Installation

Section 1. The officers of the association shall assume their duties at the close of the annual meeting at which they are elected.

Article 12

Sections

Section 1. The association shall be divided into the following sections:

A. General Practice.

B. Sanitary Science and Police.

C. Veterinary Colleges and Examining Boards.

The Executive Board may make additional sections as deemed expedient.

Section Officers

Section 2. The officers of each section shall consist of a chairman and a secretary. They shall be elected by the members of the section. They shall serve one year and until their successors are elected and have assumed office.

Chairman of Section

Section 3. The chairman shall preside at all meetings of the section and shall perform the usual duties belonging to such office. He shall co-operate with the secretary of the section in arranging the program and shall see that the proper arrangements have been made for the carrying out of the same.

Secretary of Section

Section 4. The secretary shall keep an accurate record of the proceedings of the section. He shall, in co-operation with the chairman,

arrange the program of the section for the annual meeting. He shall send the program to the Secretary of the association at least forty days before the annual meeting for insertion in the program of the association.

Length of Papers

Section 5. A maximum of twenty minutes will be allowed for the presentation of a paper, and five minutes for each speaker taking part in a discussion. The author will be allowed a reply to questions and criticisms at the end of the discussion.

Papers Read by Title

Section 6. No paper shall be published as having been read before a section unless it has actually been read, or unless the section shall vote to have it read by title.

Property in Papers

Section 7. All papers and reports of any nature presented to the association or to any section shall be the property of the association, if approved for publication. Consent from the Executive Board must first be obtained to permit the author of any paper to publish his paper prior to its publication in the official Journal.

Article 13

Editor and Business Manager

Section 1. The Editor and Business Manager, which positions may be held by the same individual, shall perform the usual duties of such positions in connection with the official organ of the association.

The Journal of the American Veterinary Medical Association shall publish the proceedings, transactions, papers, etc., and such other matters as the Editor may select.

Article 14

Invited Guests

Persons not eligible to membership in the association may be invited by any member to attend the annual meeting of the association or the meetings of a section.

Article 15

Registration

Section 1. No member may vote at a regular meeting until he has registered and paid his entire indebtedness to the association.

Article 16

Honorary Members

Section 1. Nominations for honorary membership shall be made in writing and submitted to the association not later than the second day of the annual meeting. An interval of at least twenty-four hours shall elapse between the nomination and the election.

Article 17

Standing Committees

Section 1. There shall be the following standing committees consisting of five members each except as otherwise provided:

1. Budget.
2. Intelligence and Education.
3. Legislation.
4. Necrology.
5. Resolution.
6. Audit.

The Committee on Budget shall consist of the President, Secretary, Treasurer and Chairman of the Executive Board. It shall be the duty of the committee to consider the financial resources of the association and proposed expenditures. The committee shall report its recommendations to the association for ratification before the close of the meeting.

The Committee on Intelligence and Education shall consist of five members to be appointed by the President to serve for a period of five years, except at the outset one member shall be appointed for a period of one year, one for two years, one for three years, one for four years, and one for five years. This committee shall elect annually its own chairman. It shall be the duty of the committee to report annually upon the progress and needs of veterinary education. It shall inspect veterinary colleges as it may deem necessary or as directed by the association; and shall annually recommend a list of veterinary colleges for recognition by the association.

The Committee on Legislation shall consist of five members to be appointed in the same way and for the same terms as the Committee on Intelligence and Education.

Article 18

Resident Secretaries

Section 1. Each state, territory, province or country may have a Resident Secretary appointed by the President.

Section 2. Each Resident Secretary shall co-operate with the Committee on Intelligence and Education and shall aid the President, Secretary and Editor of the Journal in such a manner as they may direct.

Article 19

Code of Ethics

Section 1. Members of this association are expected to conduct themselves at all times as professional gentlemen. Any flagrant violation of this principle shall be considered by this association as unprofessional conduct, and on written charges filed with the Executive Board, may subject the violator to suspension or expulsion as provided in Article 5, Section 7, of the Constitution.

Section 2. No member shall assume a title to which he has not a just claim.

Section 3. No member shall endeavor to build up a practice by undercharging another practitioner.

Section 4. In all cases of consultation it shall be the duty of the veterinary surgeon in attendance upon the case to give the opinion of the consulting veterinary surgeon (whether favorable to his own or otherwise) to the owner of the patient in the presence of all three. In case of the absence of the owner the veterinary surgeon consulted may, after giving his opinion to the attending veterinary surgeon, transmit it in writing to the owner through the medical attendant. It shall be deemed a breach of this code for a consulting veterinary surgeon to revisit a patient without a special invitation by the attending veterinary surgeon or agreement with him.

Section 5. In advertising the veterinary surgeon shall confine himself to his business address. Advertising specific medicines, specific plans of treatment, or advertising through the medium of posters, illustrated stationery, newspaper puffs, etc., will not be countenanced by this association.

Section 6. Any person who shall advertise or otherwise offer to the public any medicine, the composition of which he refuses to disclose, or who proposes to cure by secret medicines, shall be deemed unworthy of membership in this association.

Section 7. It shall be deemed a violation of the code of ethics for any member of this association to contract with or through the officers of any live stock insurance company for the professional treatment of the members' stock so insured; but this rule shall not prevent any member from becoming an examiner of risks and acting in the capacity of an expert for the same.

Section 8. Each member shall observe the code of ethics adopted by this association and be answerable to the Executive Board for any breach of the same.

Article 20

Amendment to By-Laws

Section 1. The By-Laws of this association may be amended at any annual meeting by the same procedure as provided for amending the Constitution.

Section 2. The By-Laws may be suspended temporarily by a vote of three-fourths majority, but such suspension shall not apply to Section 1, Article 19, and Section 1, Article 20.

Section 3. Officers elected under the old Constitution and By-Laws shall constitute the first set of officers under the new organization in so far as provided for in the new Constitution and By-Laws.

Major C. E. Cotton, of Minneapolis, has been appointed state veterinarian of Minnesota to succeed the late Dr. S. H. Ward.

Dr. J. S. McIntyre, of Foam Lake, Sask., is taking a post-graduate course at the Ontario Veterinary College, Toronto.

NECROLOGICAL.

DR. W. L. STICKEL.

Dr. W. L. Stickel, a graduate of the San Francisco Veterinary College in 1913, died at Etna Mills, Cal., on December 7, of pneumonia. Dr. Stickel joined the A. V. M. A. in 1915. He leaves a widow and a seven-month-old baby.

DR. E. P. WOOD.

Dr. E. P. Wood, Charlottesville, Va., died recently from pneumonia following an attack of influenza. Dr. Wood received his early education in the public schools of Albemarle. He received his B. S. degree at the Virginia Polytechnic Institute, Blacksburg, was a graduate of the U. S. College of Veterinary Surgeons, Washington, D. C., and was licensed to practice in Virginia, North Carolina and the District of Columbia. Dr. Wood was a member of the A. M. V. A., having joined in 1915. He is survived by his mother and two sons—Col. T. Gilbert Wood, of Roanoke, Va., and Dr. Hugh Wood, of Greensboro, N. C.

DR. CLINTON BUDD PALMER.

Dr. Clinton Budd Palmer died October 19, 1918, at his home at Easton, Pa., from pneumonia, following an attack of influenza.

Dr. Palmer was forty years of age and was born at Moosehead, Luzerne County, Pa. He was a graduate of Stroudsburg,

Pa., High School and of the Chicago Veterinary College, class of 1911. Prior to locating at Easton, he practiced a short time in New York City.

He was successful from the start, and in connection with his practice he established a hospital for animals in a building adjoining his home. He was noted for his kindness to animals and in treating them always showed the greatest interest and did all in his power to afford relief. Many Eastonians, on leaving the city, were in the habit of leaving their pets in his charge.

Dr. Palmer is survived by his wife and two children, Alice and Clinton B. Palmer, Jr. A. Mitchell Palmer, Alien Property Custodian, of Washington, D. C., was a brother.

He was a member of the following organizations: American Veterinary Medical Association, and a few days before his death was appointed to the Legislative Committee for a term of five years; the Pennsylvania State Veterinary Medical Association, and a member of the Executive Committee; the Easton Rotary Club, and took a great interest in that organization; Easton Board of Trade, and a director of the S. P. C. A. He was an Alpha Psi man, Gamma Chapter. He was also a member and took an active interest in the Society of Friends of Stroudsburg

DR. H. A. GREER.

Dr. H. A. Greer of Danville, Ill., died of cerebral hemorrhage on December 27. Dr. Greer was educated at the University of Illinois and was a graduate of the Chicago Veterinary College. He was admitted into membership in the A. V. M. A. in 1917. He was president of the Illinois State Veterinary Association for the past year and was one of the prominent progessive veterinarians in the state of Illinois. His death was a severe loss to the profession, not only in Illinois, but to the country as a whole.

DR. REID.

Dr. Reid, of the firm of Sweet & Reid, Exeter, Ontario, died recently as the result of influenza. Dr. Reid graduated from the Ontario Veterinary College about three and a half years ago. He was extremely popular and had a bright future before him. The Doctor was a little over twenty-nine years of age, and a native of Nova Scotia.

REVIEW.

The Anatomy of the Domestic Fowl. By B. F. Kaupp, M. S., D. V. M., Poultry Investigator and Pathologist in the North Carolina Station, State Department of Agriculture, and the State College of Agriculture. 12mo of 373 pages with 84 illustrations. Philadelphia and London: W. B. Saunders Company, 1918. Cloth $3.00 net.

While the author's foreword notifies reviewers that no critical reviews are allowed, it seems that constructive personal suggestions are welcomed.

The author is to be congratulated upon the completion of his laborious task and for his attempts to fill "the demand for a textbook on the Anatomy of the Domestic Fowl."

The subdivision and arrangement of the text are logical and admirable but:

1. The descriptions are general, often vague, and lack the precision that an anatomist would use. Space does not permit the many citations that may be given, but the following examples will illustrate some of the deficiencies:

On pages 23 and 24 in the description of the cranial cavity no mention is made of its shape and no demarcation boundaries of the subdivisions are given, and we read, "The posterior wall of the cerebellum is formed by the occipital bone," "The walls are marked by digitations and vascular groove." The word "digitations" is evidently used to mean "digital impressions"—two very different things in anatomical language.

Page 149. "Openings of simple intestinal tubular glands the duodenal glands, or the glands formerly known as Brunner's glands are located between the villi."

Aside from lymphoid tissue the vertebrate intestine may contain:

A. Intestinal glands (Lieuerkühn's glands or crypts) above the muscularis mucosa.

B. Duodenal glands (Brunner's glands) perforating and mostly below the muscularis mucosa.

The duodenal glands are absent in the chicken.

2. The figures cover a wide range and in that respect are complete, but lack definition and clearness to such an extent that most of them are practically useless for instructional purposes.

The publishers deserve much credit for their publication of this needed text. A good quality of paper and readable type are

used, but the figures are much below their standard as set, for example, in Sisson's Anatomy of the Domestic Animals.

3. It is regrettable that the nomenclature used does not correspond more closely to that of the "BNA" (Basle Nomina Anatomica).

We hope that the agricultural students for whom this text is evidently written (Foreword) will soon exhaust the first edition and that the second may more nearly meet the requirement of veterinarians, students and research workers. H. S. M.

The announcement has been received of the marriage of Dr. R. L. Brinkman and Miss Marian Van Landingham on Sunday, December 22, 1918, at Cairo, Ga.

The foregoing is a true copy of an application for license to practice veterinary medicine in the State of North Carolina.

Captain Otis A. Longley of California, recently on the staff of instructors at Camp Greenleaf, was a visitor to the New York City Association at its January meeting.

Captain H. Ticehurst of New Jersey, recently Division Veterinarian at Camp Sheridan, Ala., has been released from the service and returned to practice at Morsemere, N. J. In January Captain Ticehurst addressed the annual meeting of the New Jersey State Veterinary Medical Association.

Lieutenant W. W. Yard of Denver, Col., who, after finishing his training at Camp Greenleaf, was transferred to Camp Lee, was later sent "over the seas" to the A. E. F.

President Cochran of the New York City Veterinary Medical Society gave a timely address at the January meeting of the body.

Dr. Chas. H. Higgins, for many years attached to the government veterinary staff of Canada, has recently settled in New York. Dr. Higgins gave a wonderfully interesting address at the New York City Veterinary Medical Society in January on the development of veterinary medicine in Canada.

President Moore, Treasurer Jacobs, Chairman Hoskins, T. E. Munce and S. J. Walkley, of the Legislation Committee; Dr. Peter Bahnsen, of Georgia; Dr. Cassius M. Way, of New York; Dr. J. A. Kiernan, of the B. A. I. organization, and Chief John R. Mohler appeared before the House Committee on Agriculture at Washington on January 15, 1919, to urge increased compensation of the B. A. I. veterinarians and inspectors.
